CONTACTING THE SUPPORT TEAM.....44

LOG INTO THE MTSP

LOG INTO THE MTSP

1

Go to https://mopartsp.com/login and make sure you're on the Dealer login tab.

2

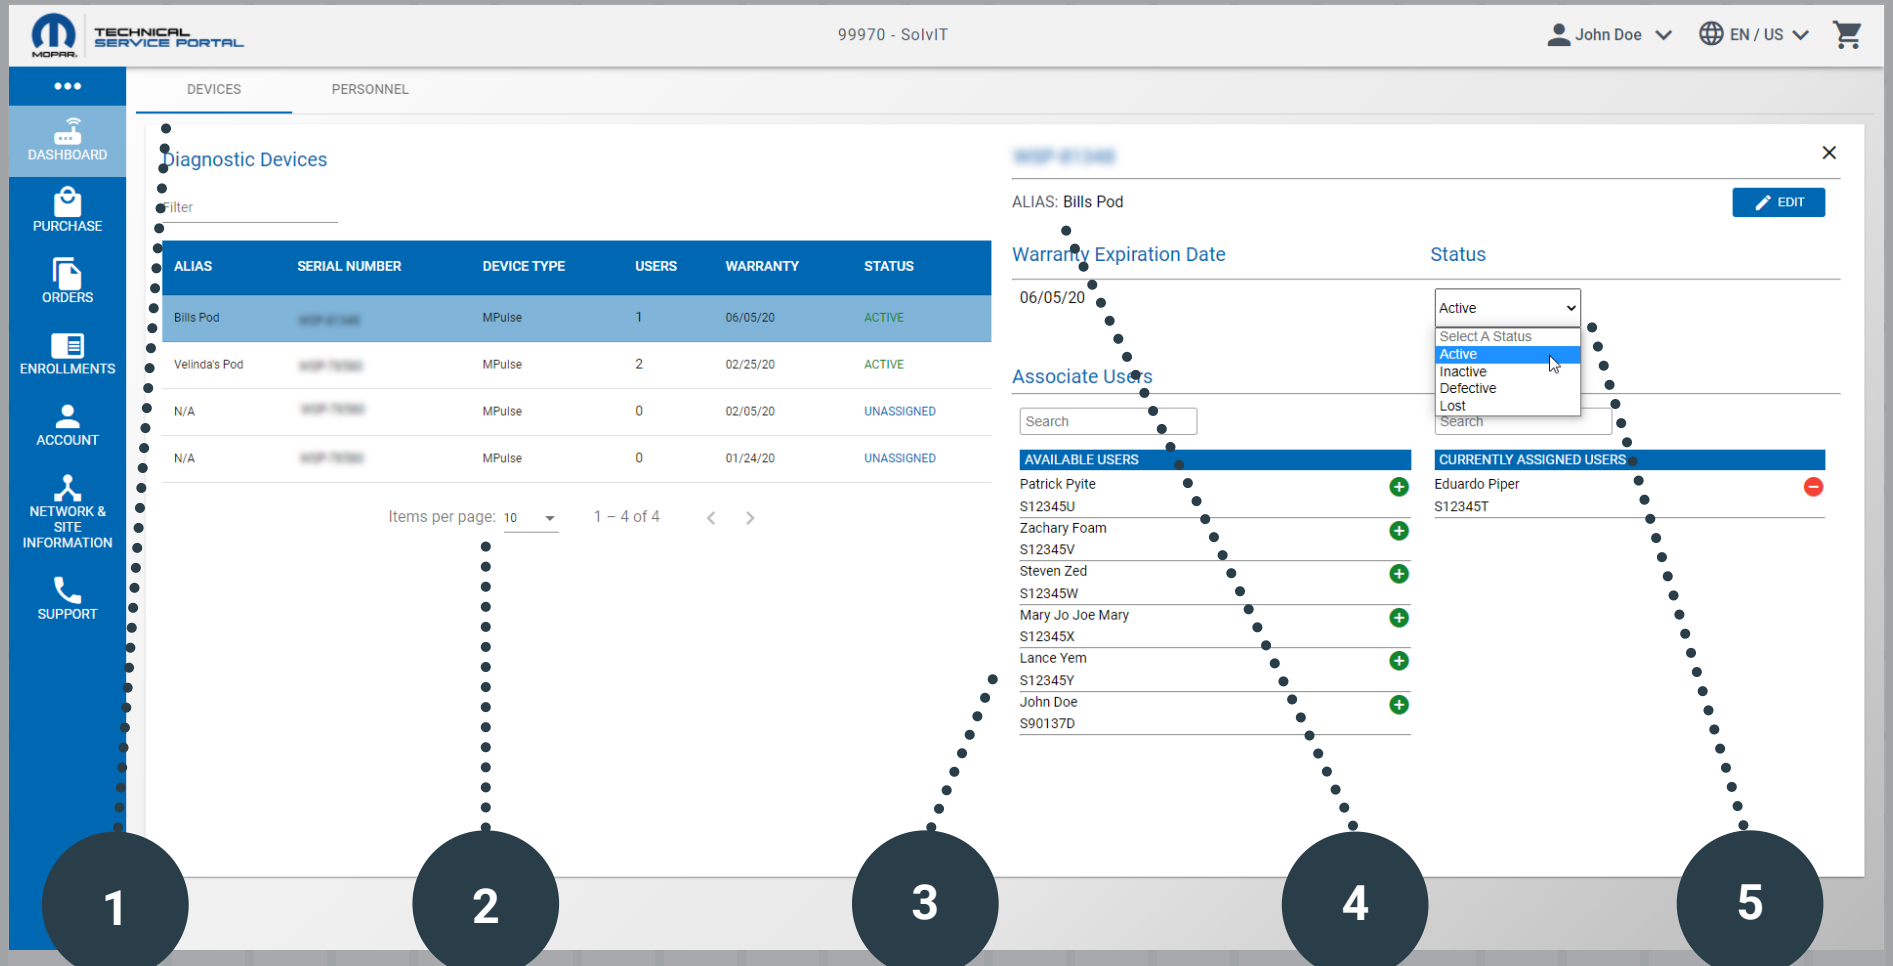

To log into the Mopar Technical Service Portal (MTSP), you will need your SID (or TID), DealerCONNECT password and Dealer Code. **Note:** Service Managers or higher will be able to log in. Please contact DealerCONNECT if you need to change a position code.

3

Need to change your login credentials? Please contact DealerCONNECT directly at https://dealerconnect.chrysler.com

DEVICES

MANAGING YOUR DEVICES

Click on Dashboard in the side navigation bar, then Devices on the top bar.

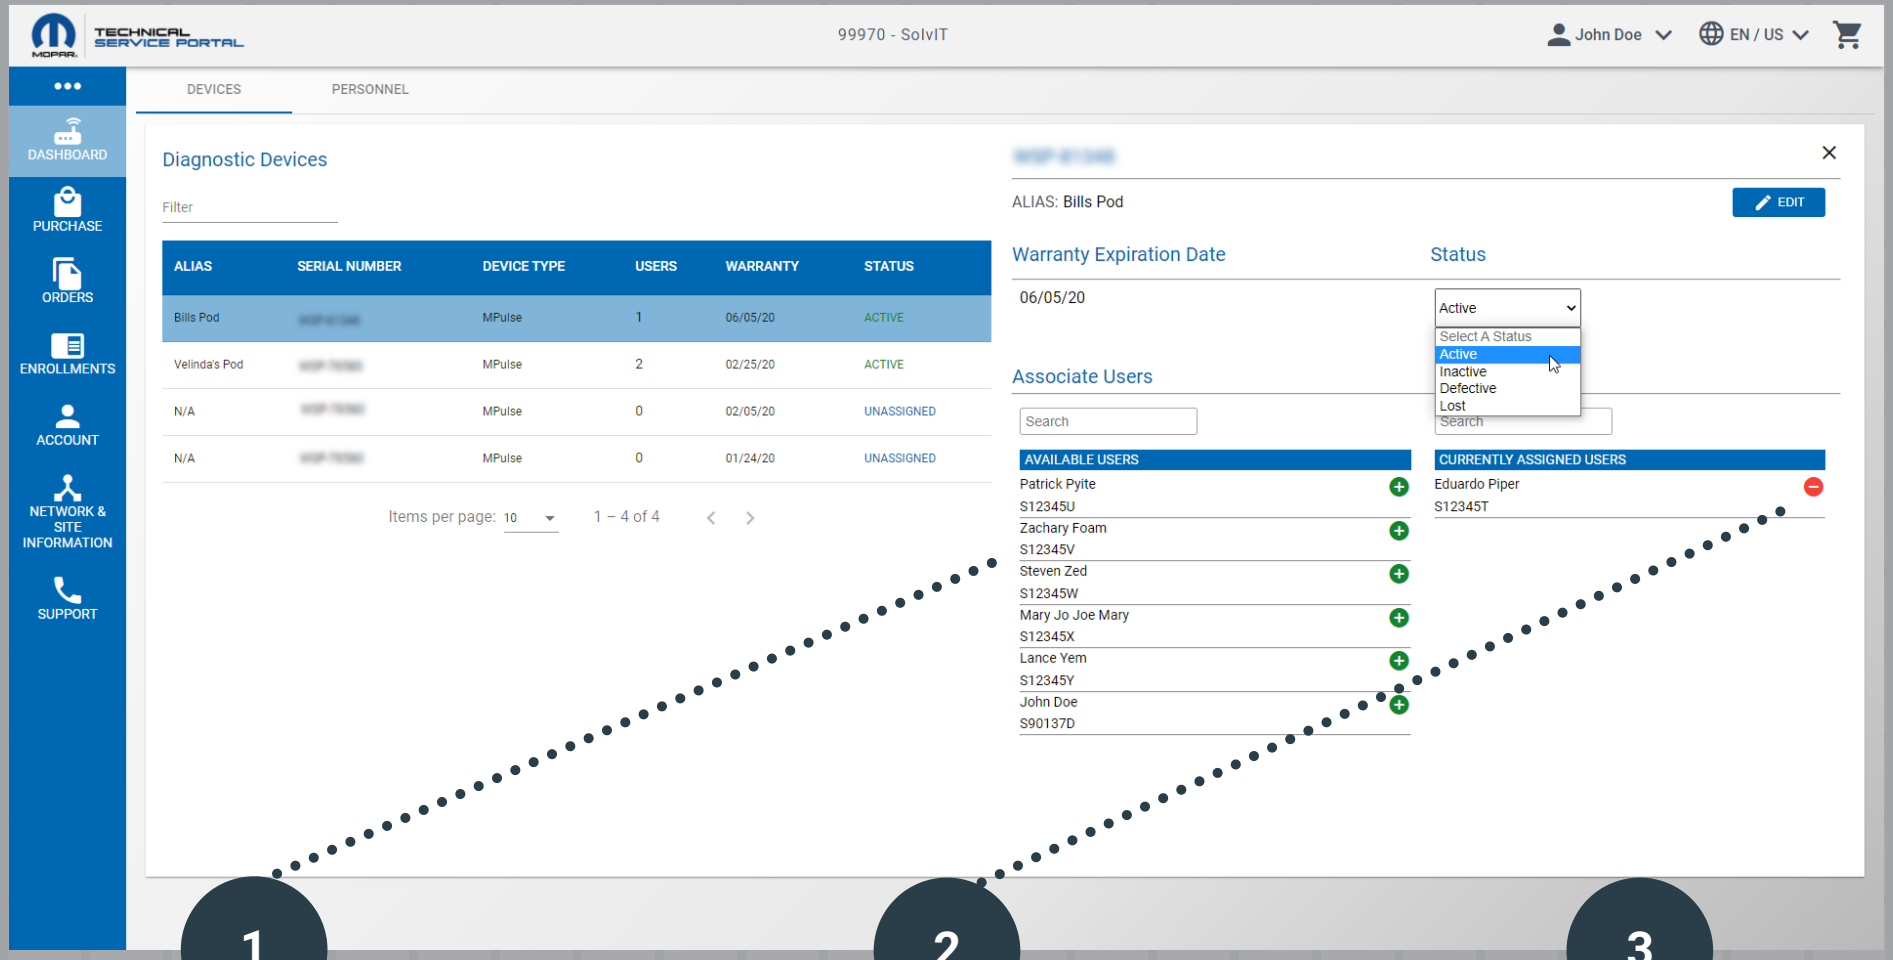

Manage your devices. Any new devices that you purchase through the TSP will automatically populate here. If you don't see your device here, please contact the Support Team.

The users shown here are personnel populated from DealerCONNECT based on position code. Anyone on this list can be associated to your devices.

Give your device an alias to make it easier to remember which is which. Ex: Bill's Pod.

Assign your device a Status to help you keep track of your devices and whether they are being used or not. **Note:** Please contact the Support Team to remove a device from your account.

ASSIGNING USERS TO A DEVICE

1

Click on the green plus button to add an available user to a specific device. Once you add the user, they will show up in the "Currently Assigned Users" column.

2

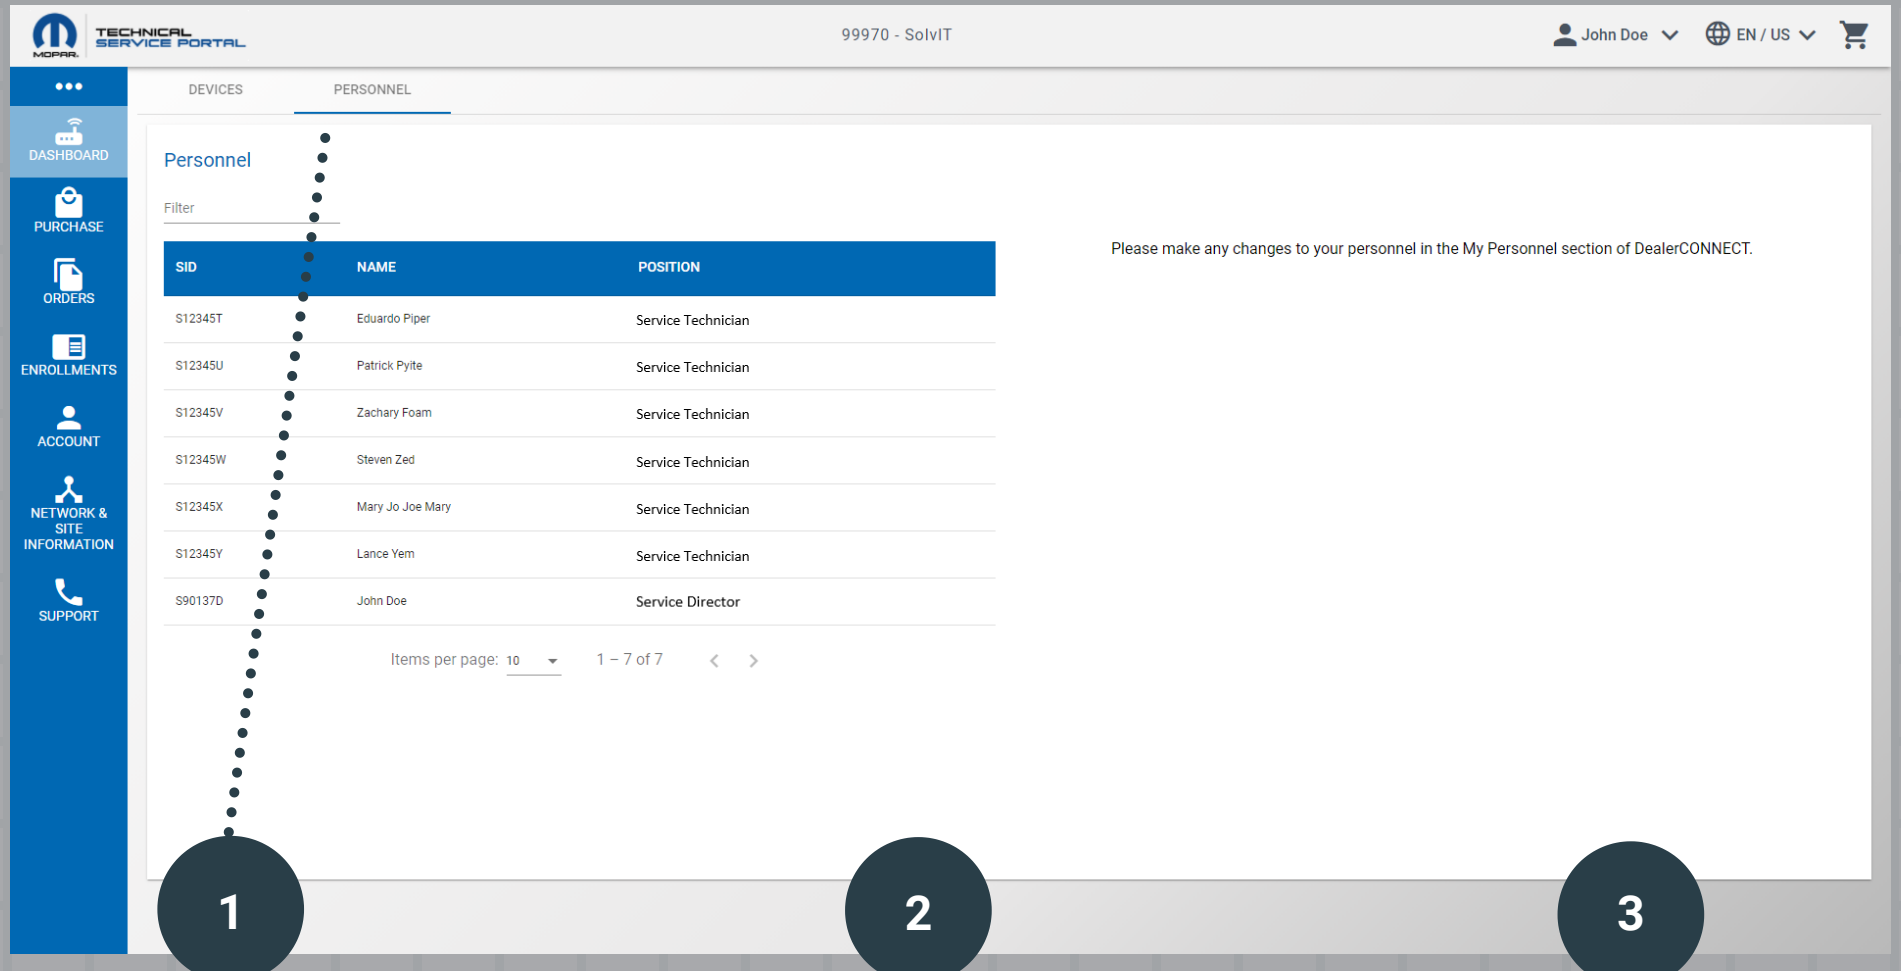

Click on the red minus button to remove a currently assigned user from a specific device. After you remove the user from the device, they will show up in the "Available Users" column.

3

Need to associate someone to a device but they're not listed here? Please go to DealerCONNECT to check or modify their position code.

PERSONNEL

MANAGING YOUR PERSONNEL

1

Click on Dashboard in the side navigation bar, then Personnel on the top bar.

2

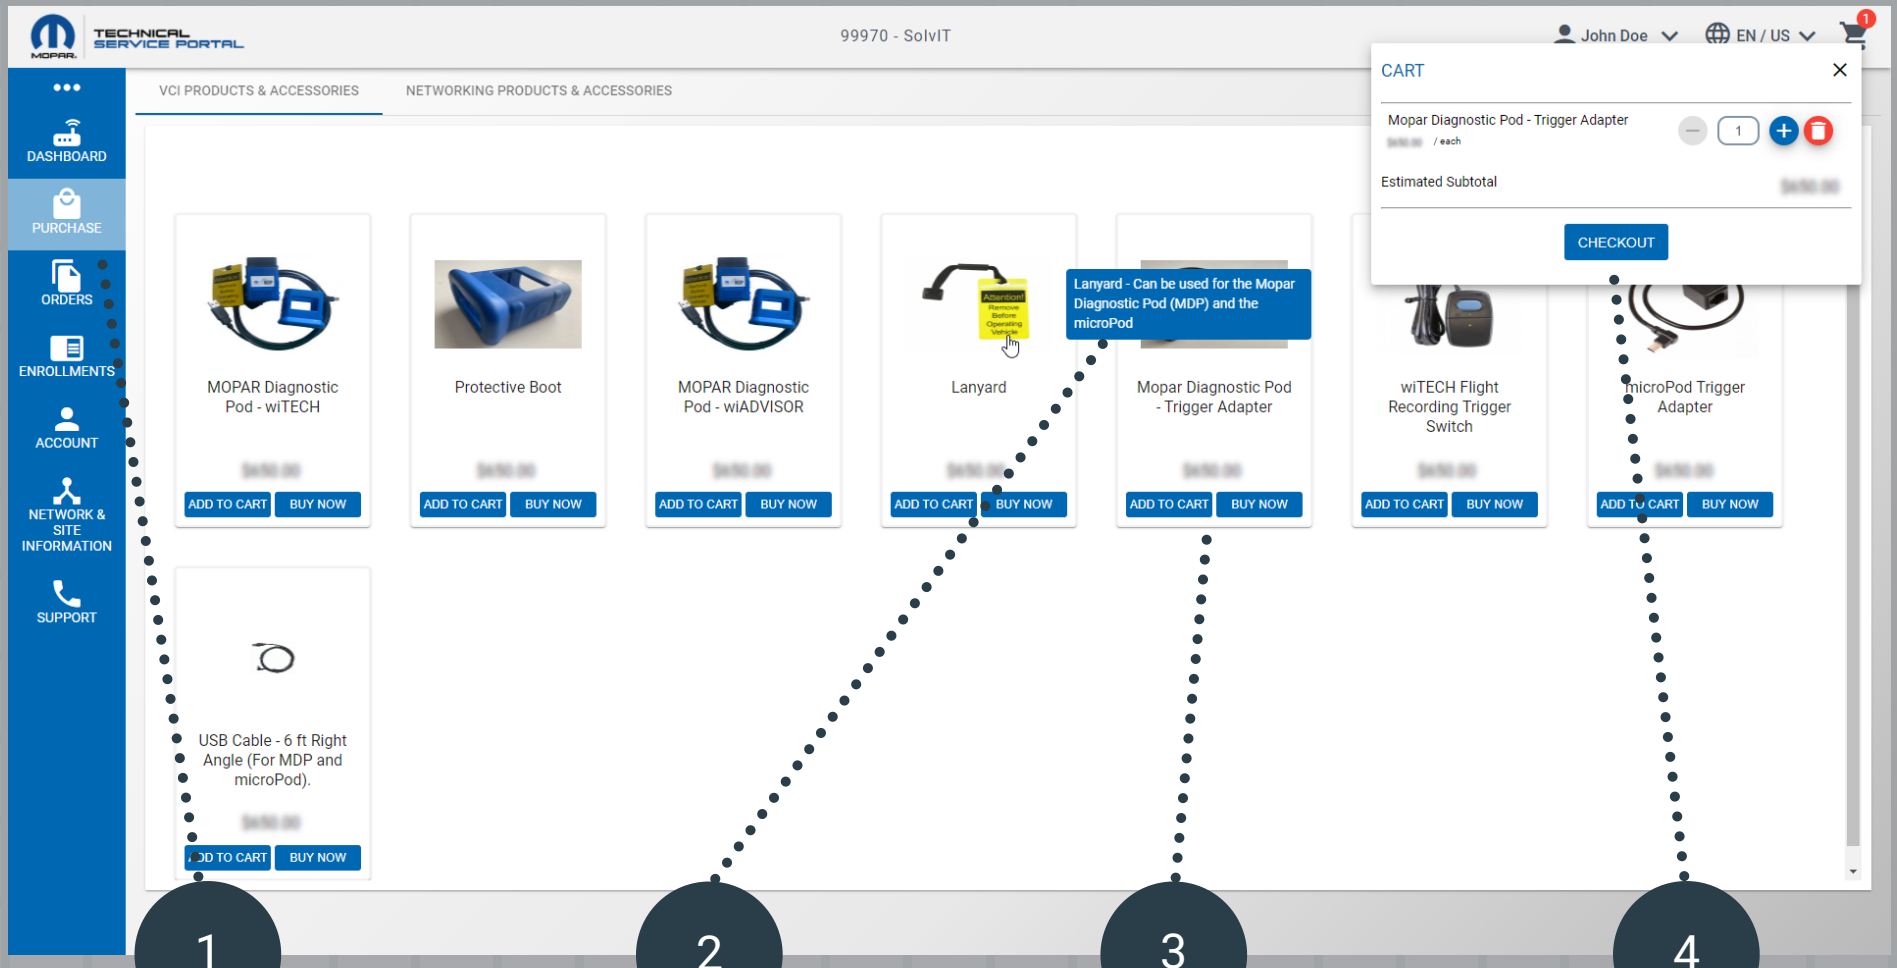

The personnel shown in your account is populated from DealerCONNECT based on position code. Anyone on this list can be associated to your devices.

3

Need to associate someone to a device but they're not listed? Please go to DealerCONNECT to check or modify their position code.

PRODUCTS

VCI PRODUCTS & ACCESSORIES

1

Click on Purchase in the side navigation bar, then go to VCI Products & Accessories on the top bar.

2

Hover your mouse over products to see details.

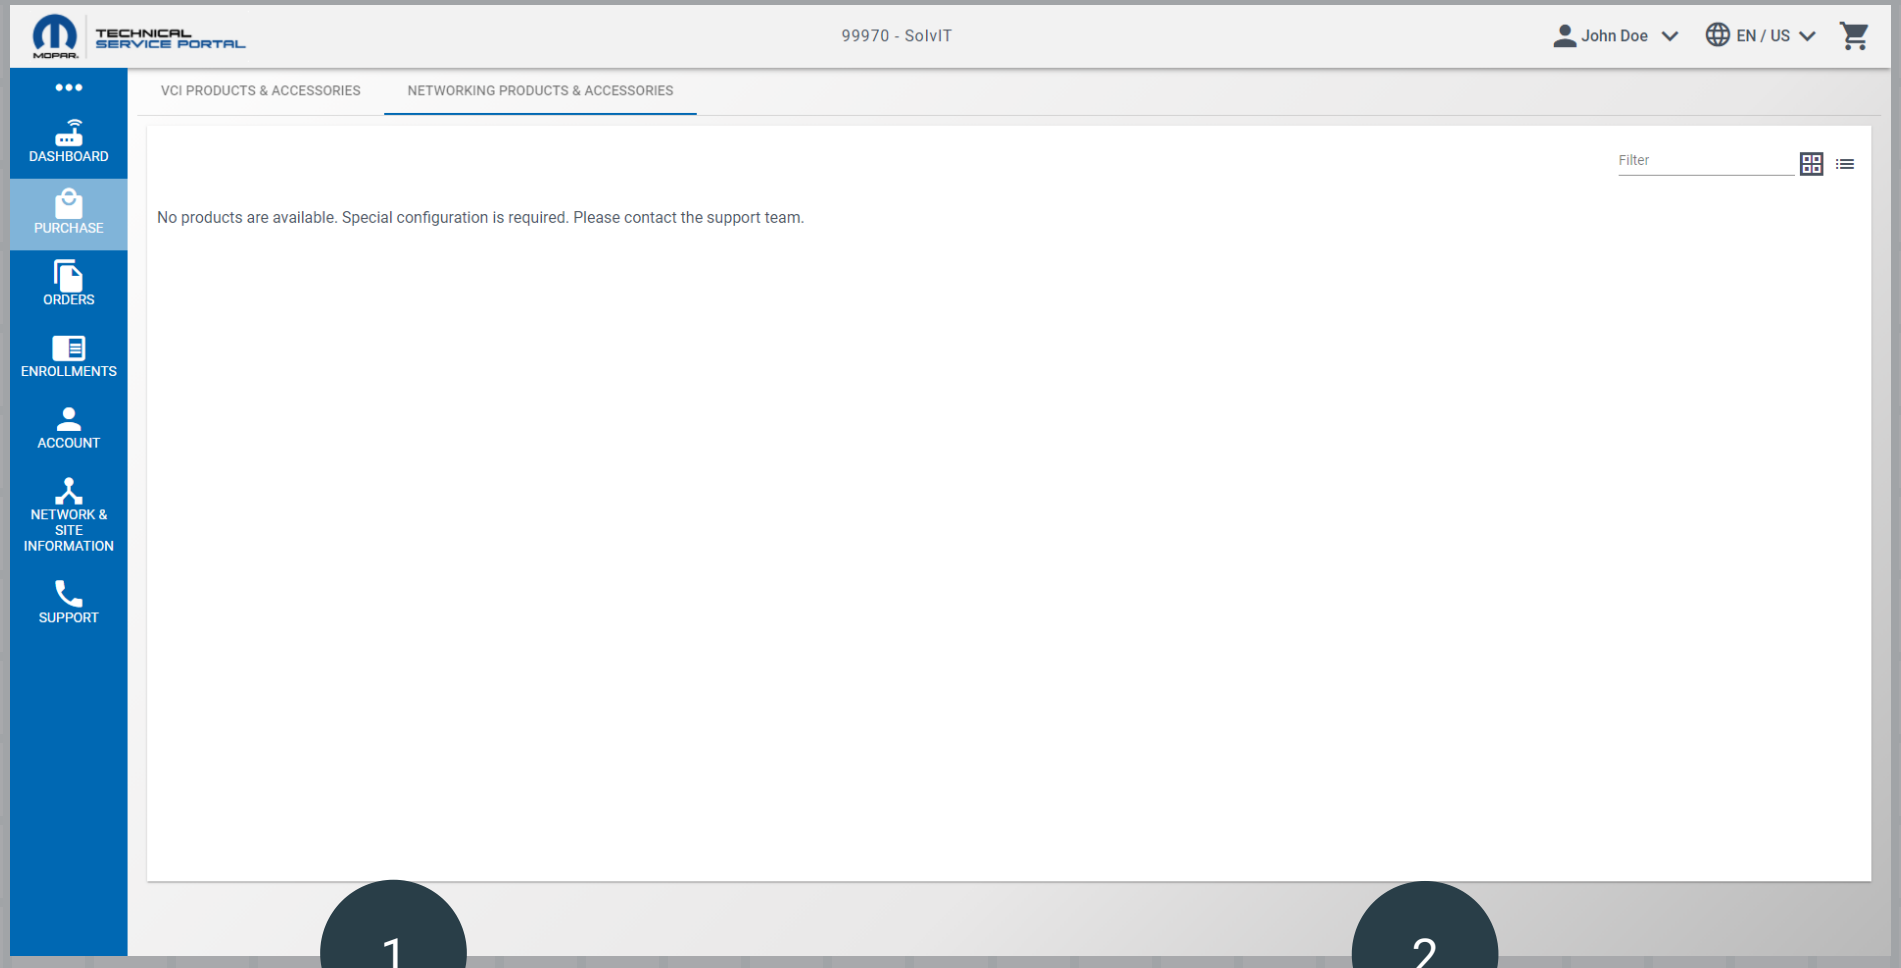

3

Click on Buy Now or Add to Cart on the products that you need.

4

When you're ready, click on the shopping cart and then click the Checkout button.

NETWORKING PRODUCTS & ACCESSORIES

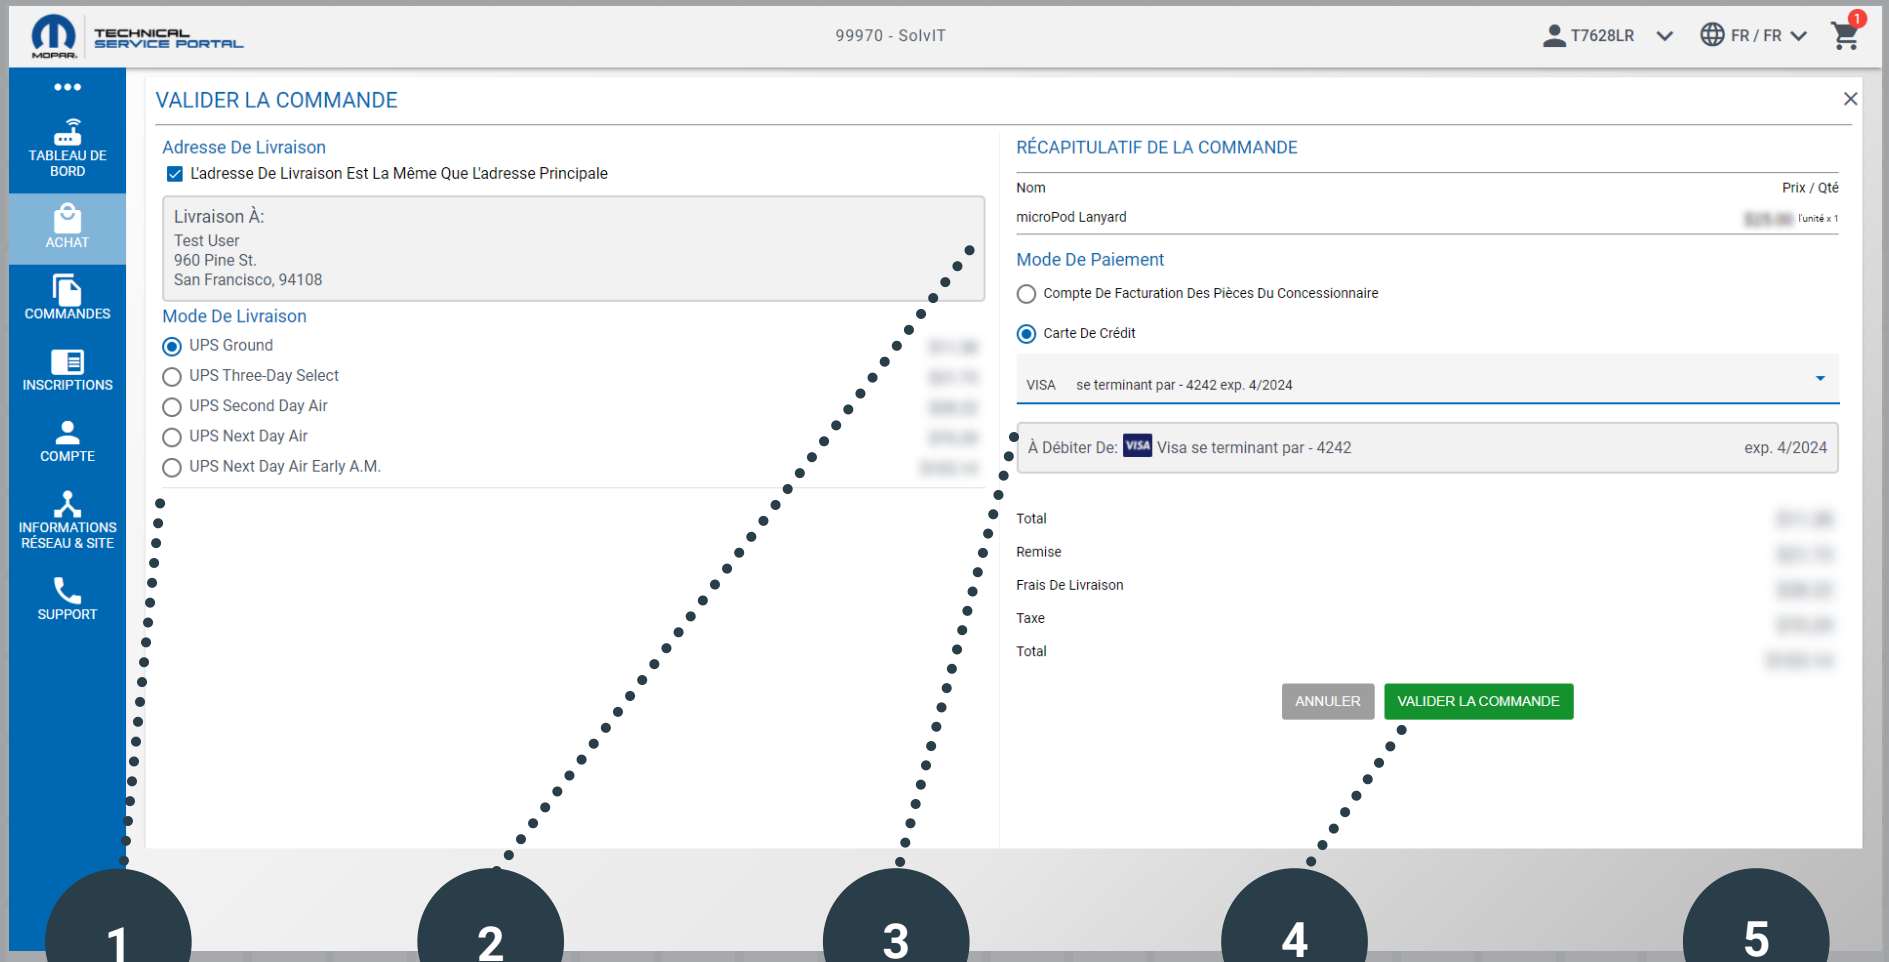

1

Click on Purchase in the side navigation bar, then go to Networking Products & Accessories on the top bar.

2

Need to shop for Networking Equipment? Please contact the Support Team first. They will help you get started by reviewing the equipment needed, and then you may come back here to purchase what you need.

PURCHASING PRODUCTS

1

Select your Shipping Address and Shipping Method.

2

Review your Order Summary to make sure everything is correct.

3

Select your Payment Method.

4

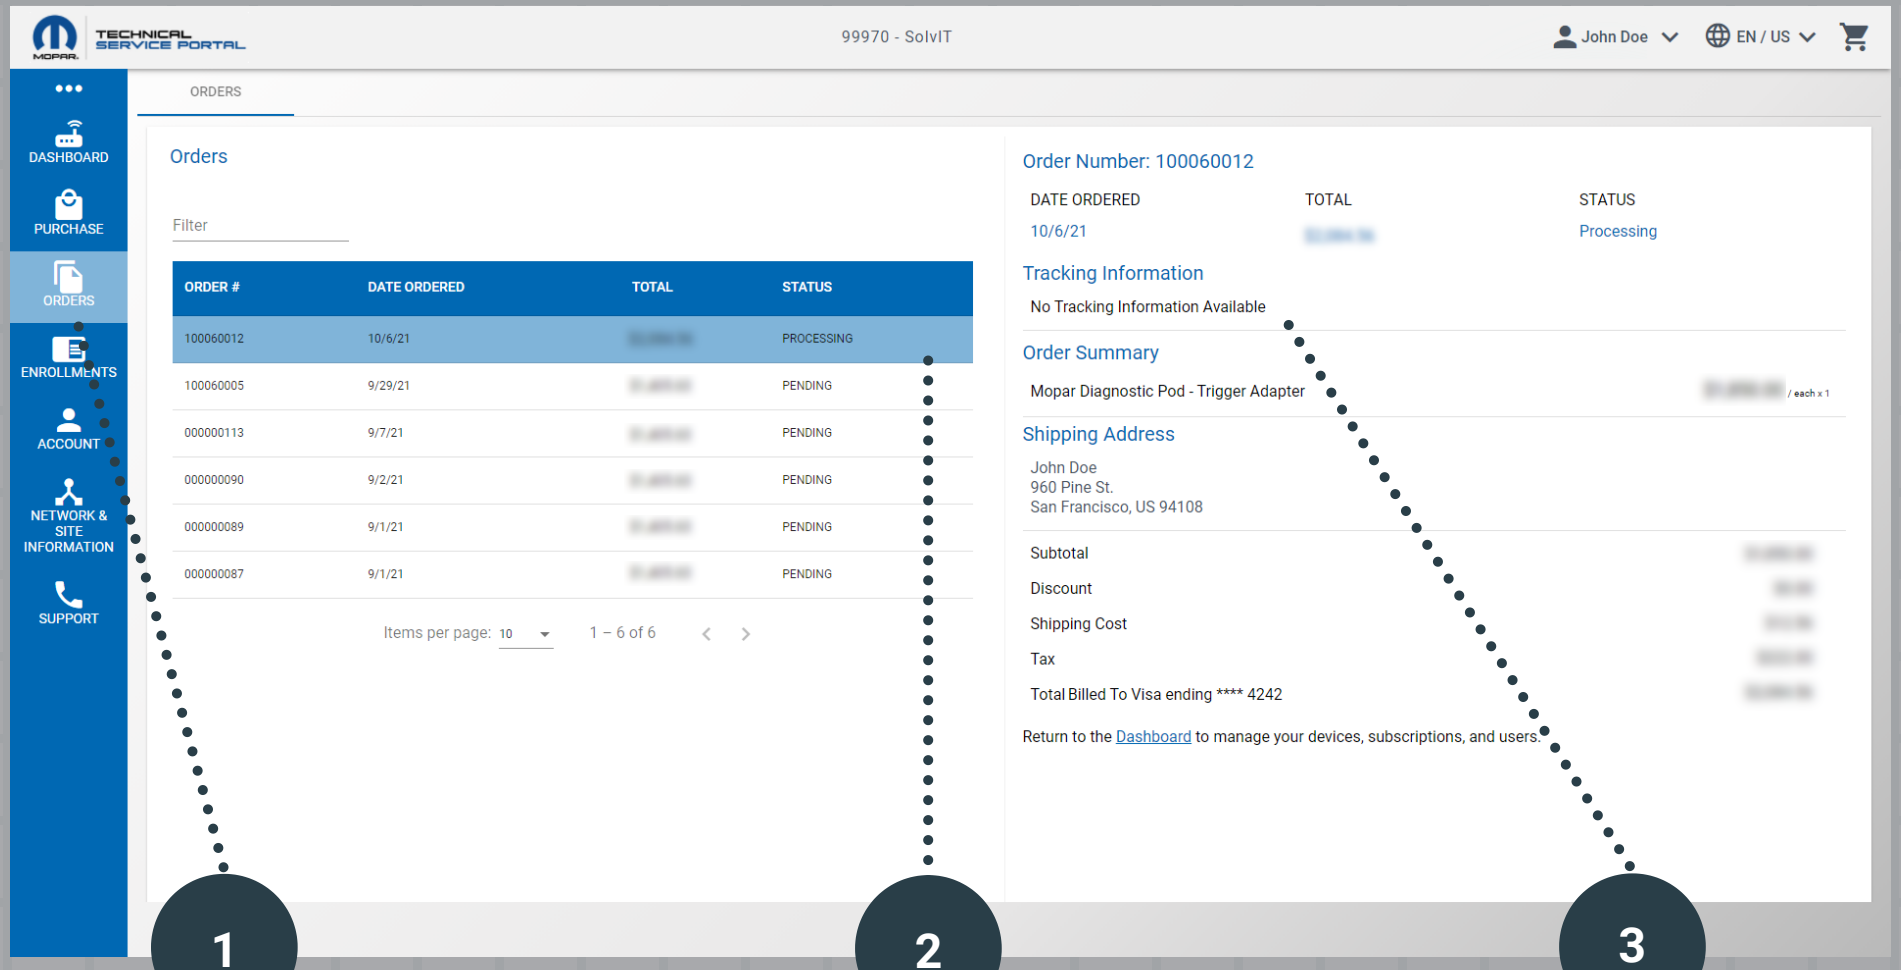

If the Order Summary looks correct, go ahead and click the Place Order button. If you need to edit, click on the cart icon to edit.

5

Go to the Orders tab and/or your email inbox to review your receipt.

ORDERS

MANAGING YOUR ORDERS

1

Click on Orders in the side navigation bar.

2

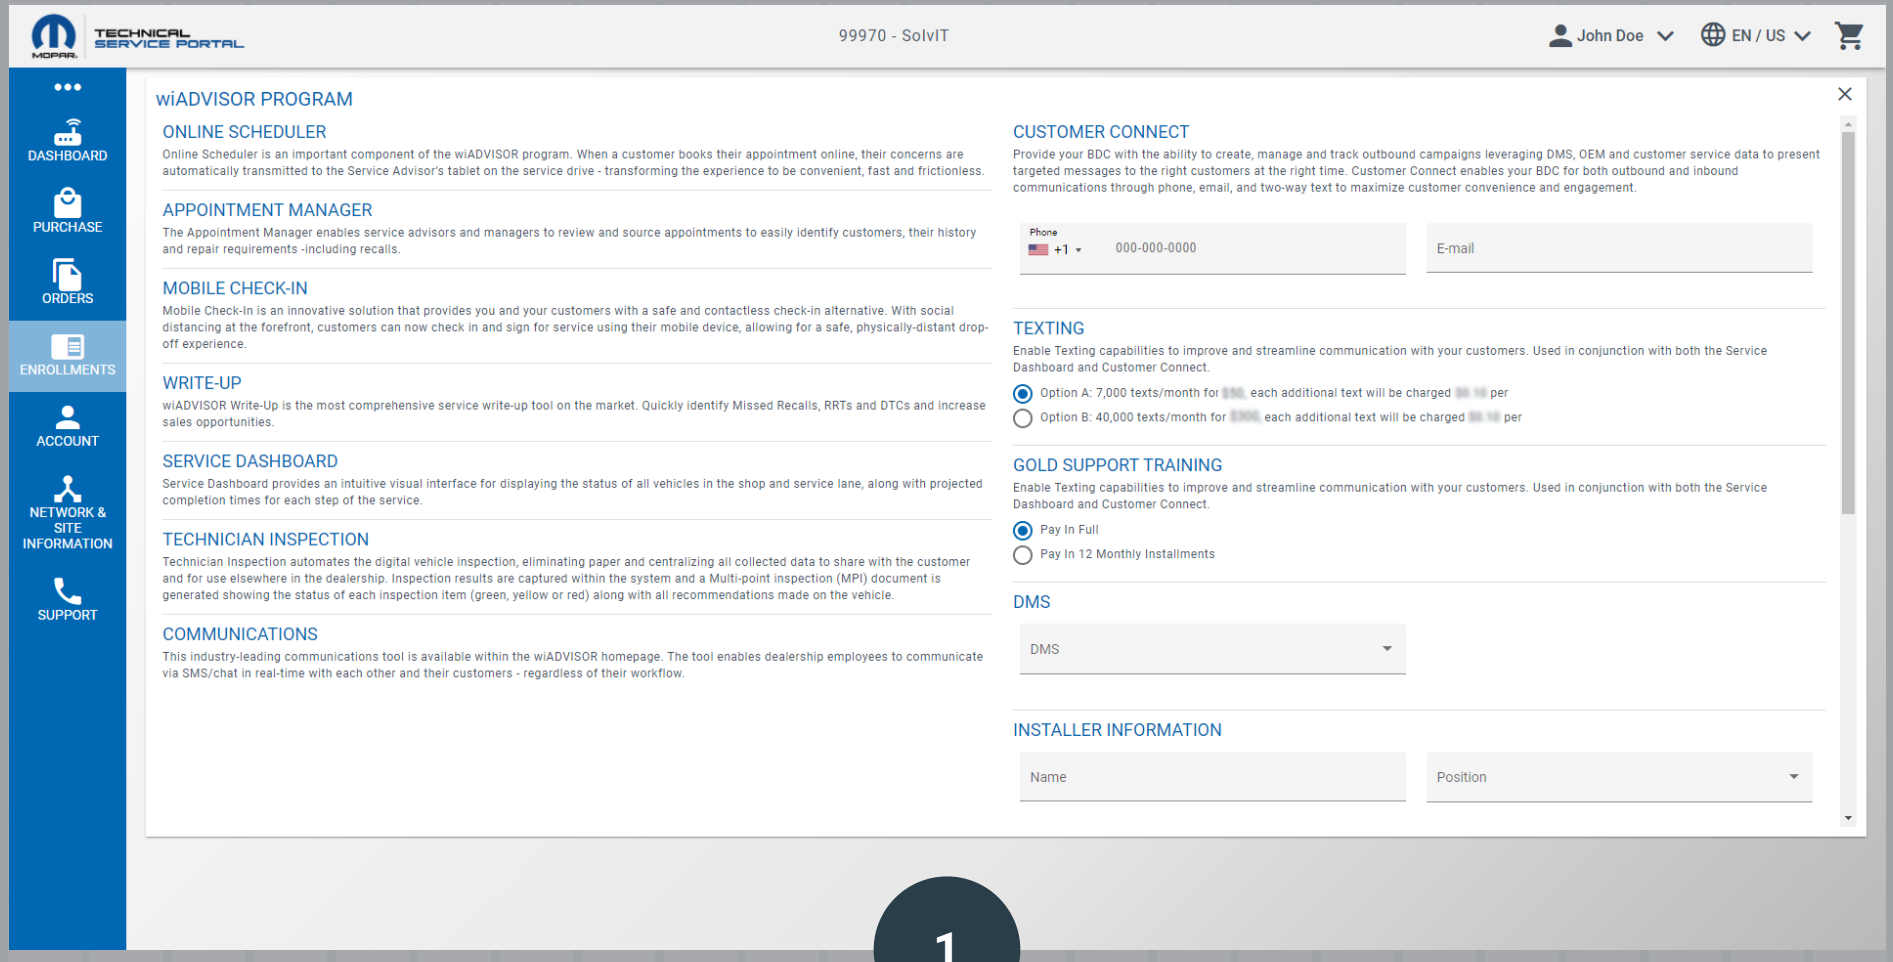

Click on an order to view the full details. Your order details will also be emailed to the primary email address on your account.

3

Tracking Information will be available here once the order has shipped.

ENROLLMENTS

THE WIADVISOR PROGRAM

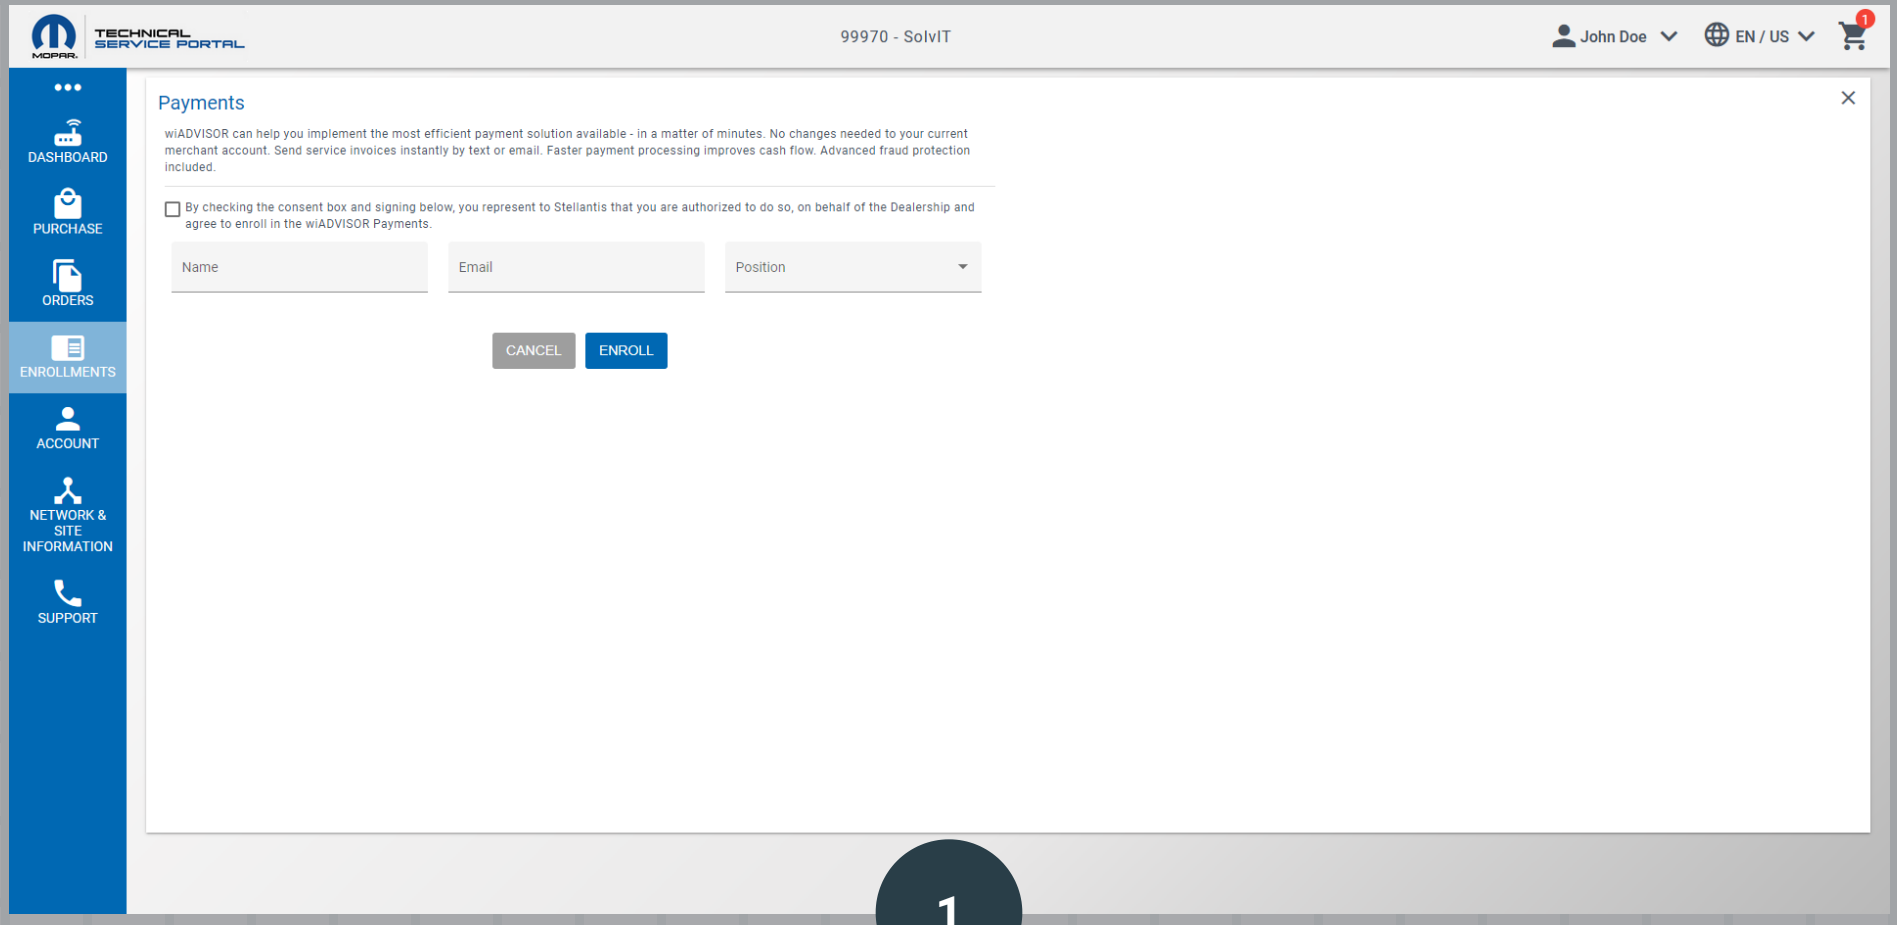

1

The wiADVISOR program is the most comprehensive service write-up solution on the market. It provides Service Advisors with a simple tool to actively engage vehicle owners at their vehicle and provide an enhanced customer experience on the service drive. Online Scheduler is an important component of the wiADVISOR program. When a customer books their appointment online, their concerns are automatically transmitted to the Service Advisor's tablet on the service drive - transforming the experience to be convenient, fast and frictionless.

Note: For pricing and more information on the wiADVISOR program, please go to wiADVISOR Enrollments in the TSP. Select your DMS to see your pricing.

PAYMENTS ENROLLMENT

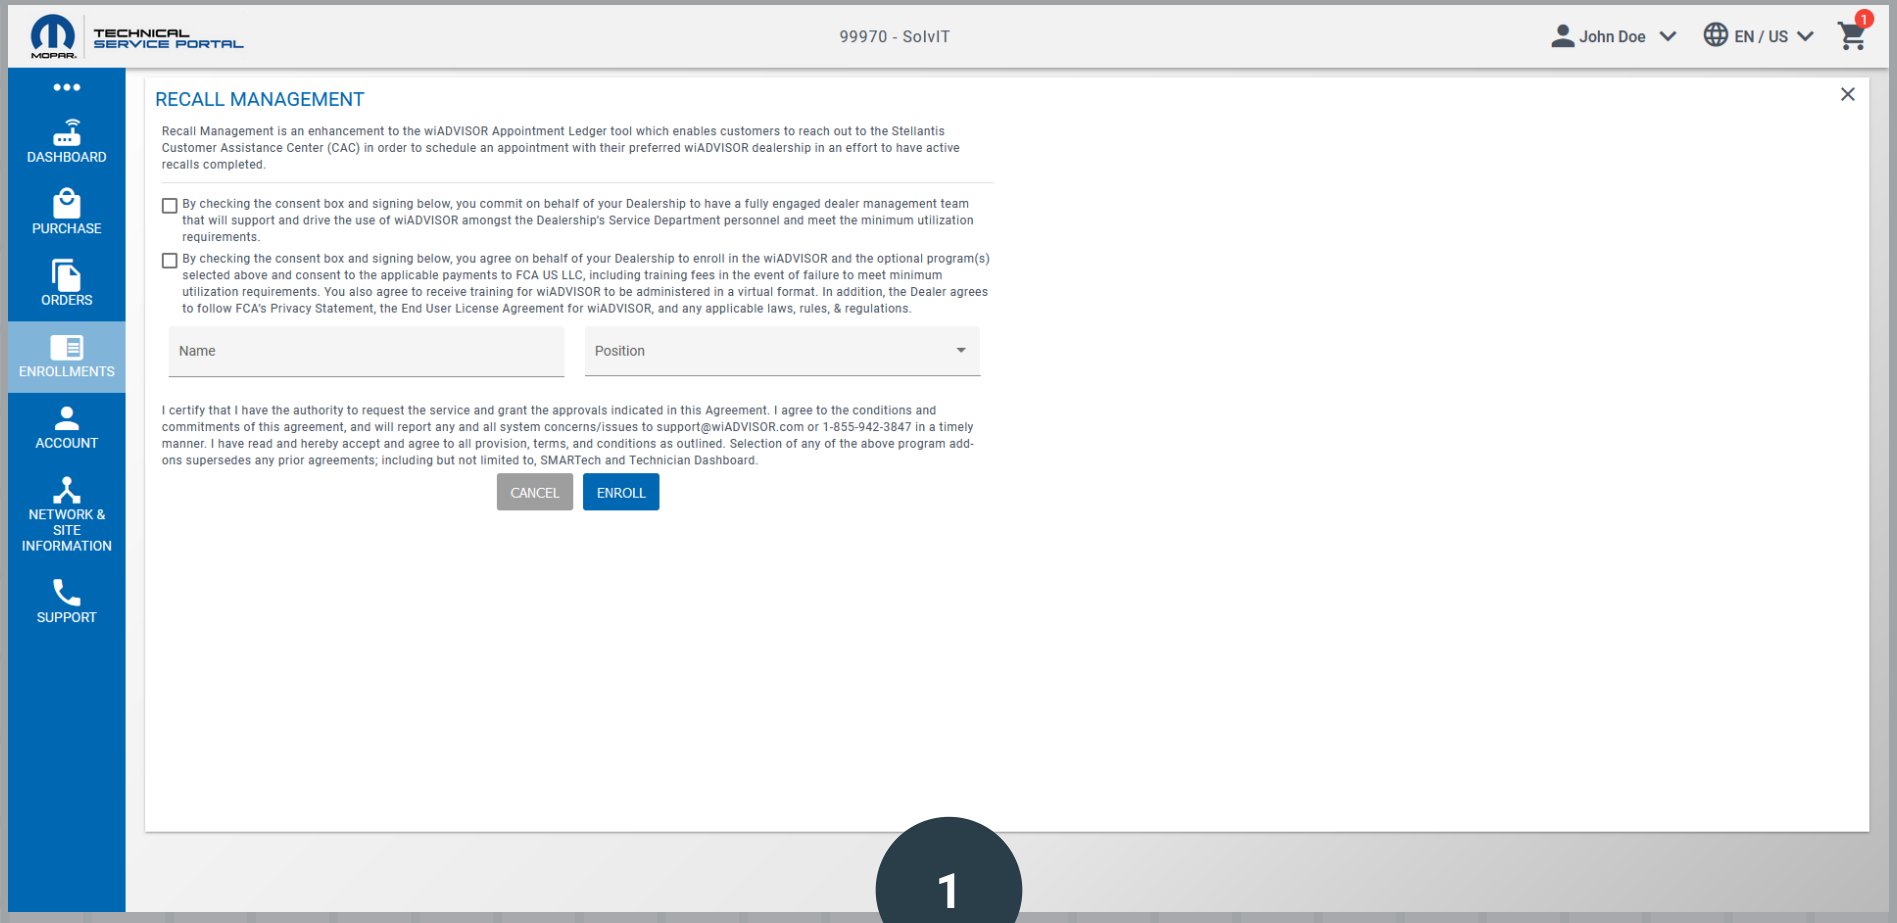

1

wiADVISOR can help you implement the most efficient payment solution available – in a matter of minutes. No changes are needed to your current merchant account. With Payments, you will be able to send service invoices instantly by text or email. Faster payment processing improves cash flow, which keeps everything running smoothly. Advanced fraud protection is also included when you enroll in Payments.

Note: The Payments Enrollment is available once you are enrolled in wiADVISOR. For pricing and more information, please go to wiADVISOR Enrollments in the TSP. You will be able to view the other available enrollments once you enroll in the wiADVISOR Enrollment Bundle.

RECALL MANAGEMENT ENROLLMENT

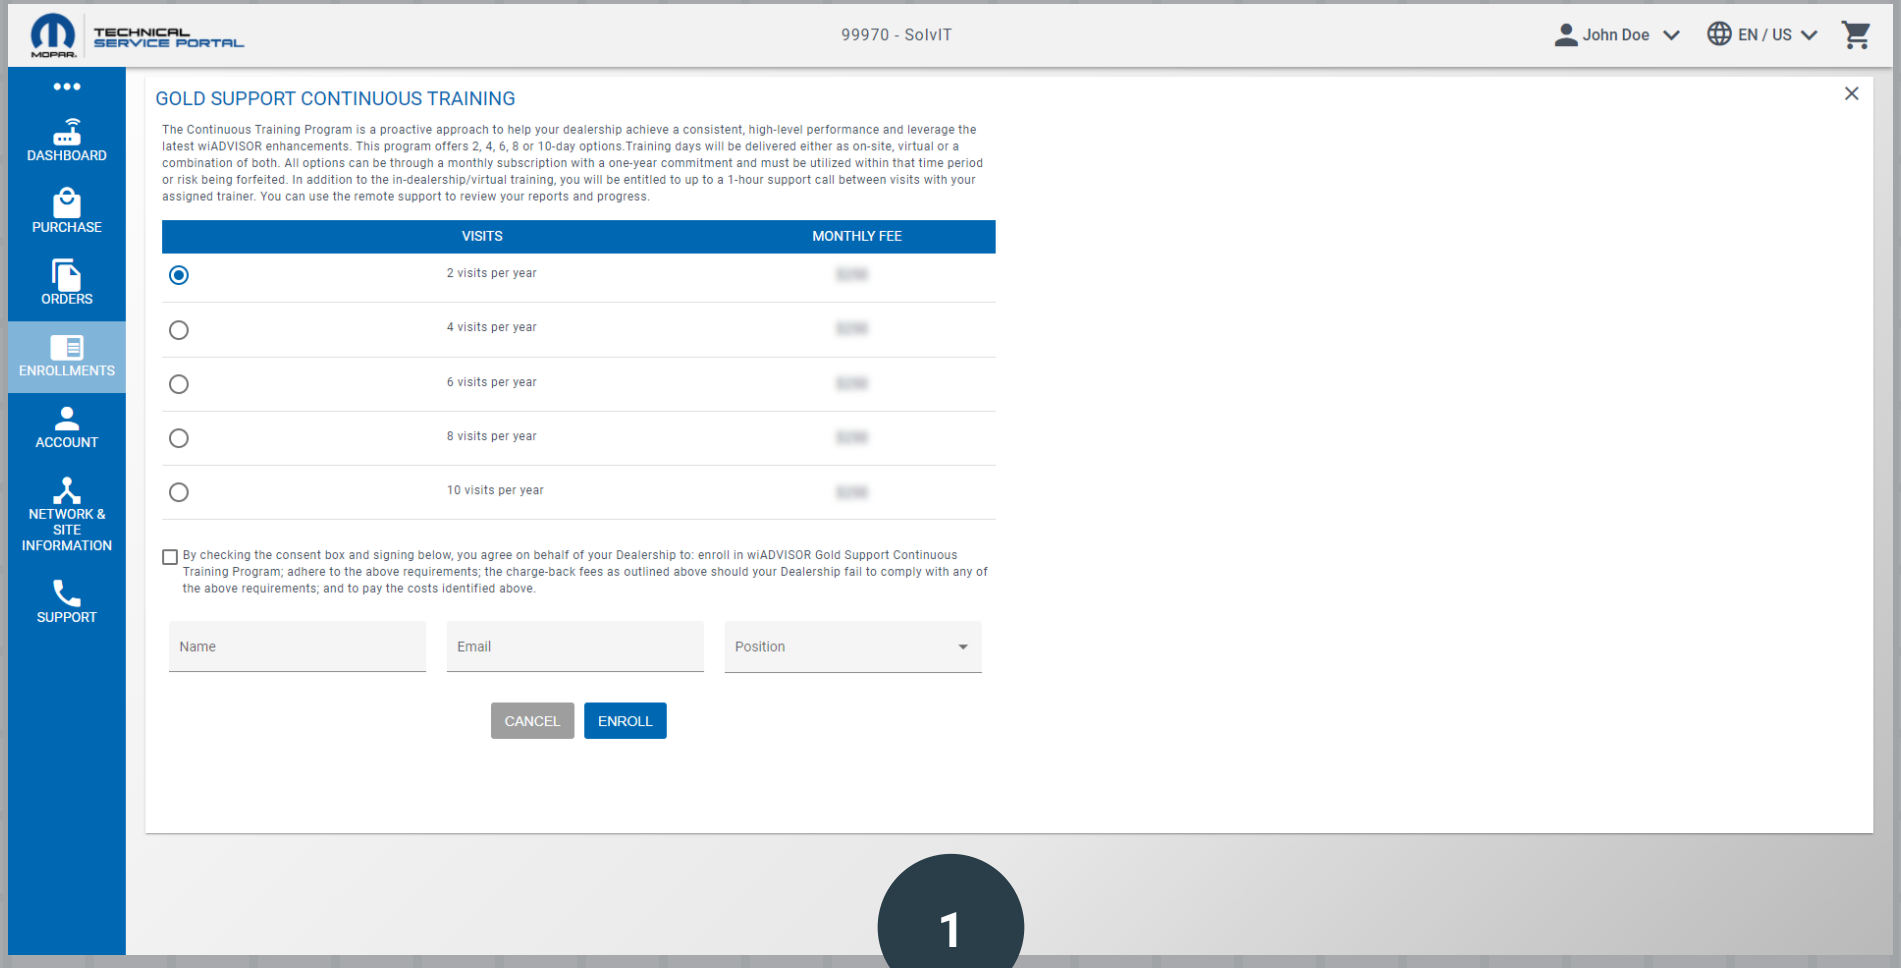

1

Recall Management is an enhancement which enables customers to reach out to the Stellantis Customer Assistance Center (CAC) in order to schedule an appointment with their preferred wiADVISOR dealership in an effort to have active recalls completed.

Note: Recall Management is available once you are enrolled in wiADVISOR. For pricing and more information, please go to wiADVISOR Enrollments in the TSP. You will be able to view the other available enrollments once you enroll in the wiADVISOR Enrollment Bundle.

GOLD SUPPORT CONTINUOUS TRAINING

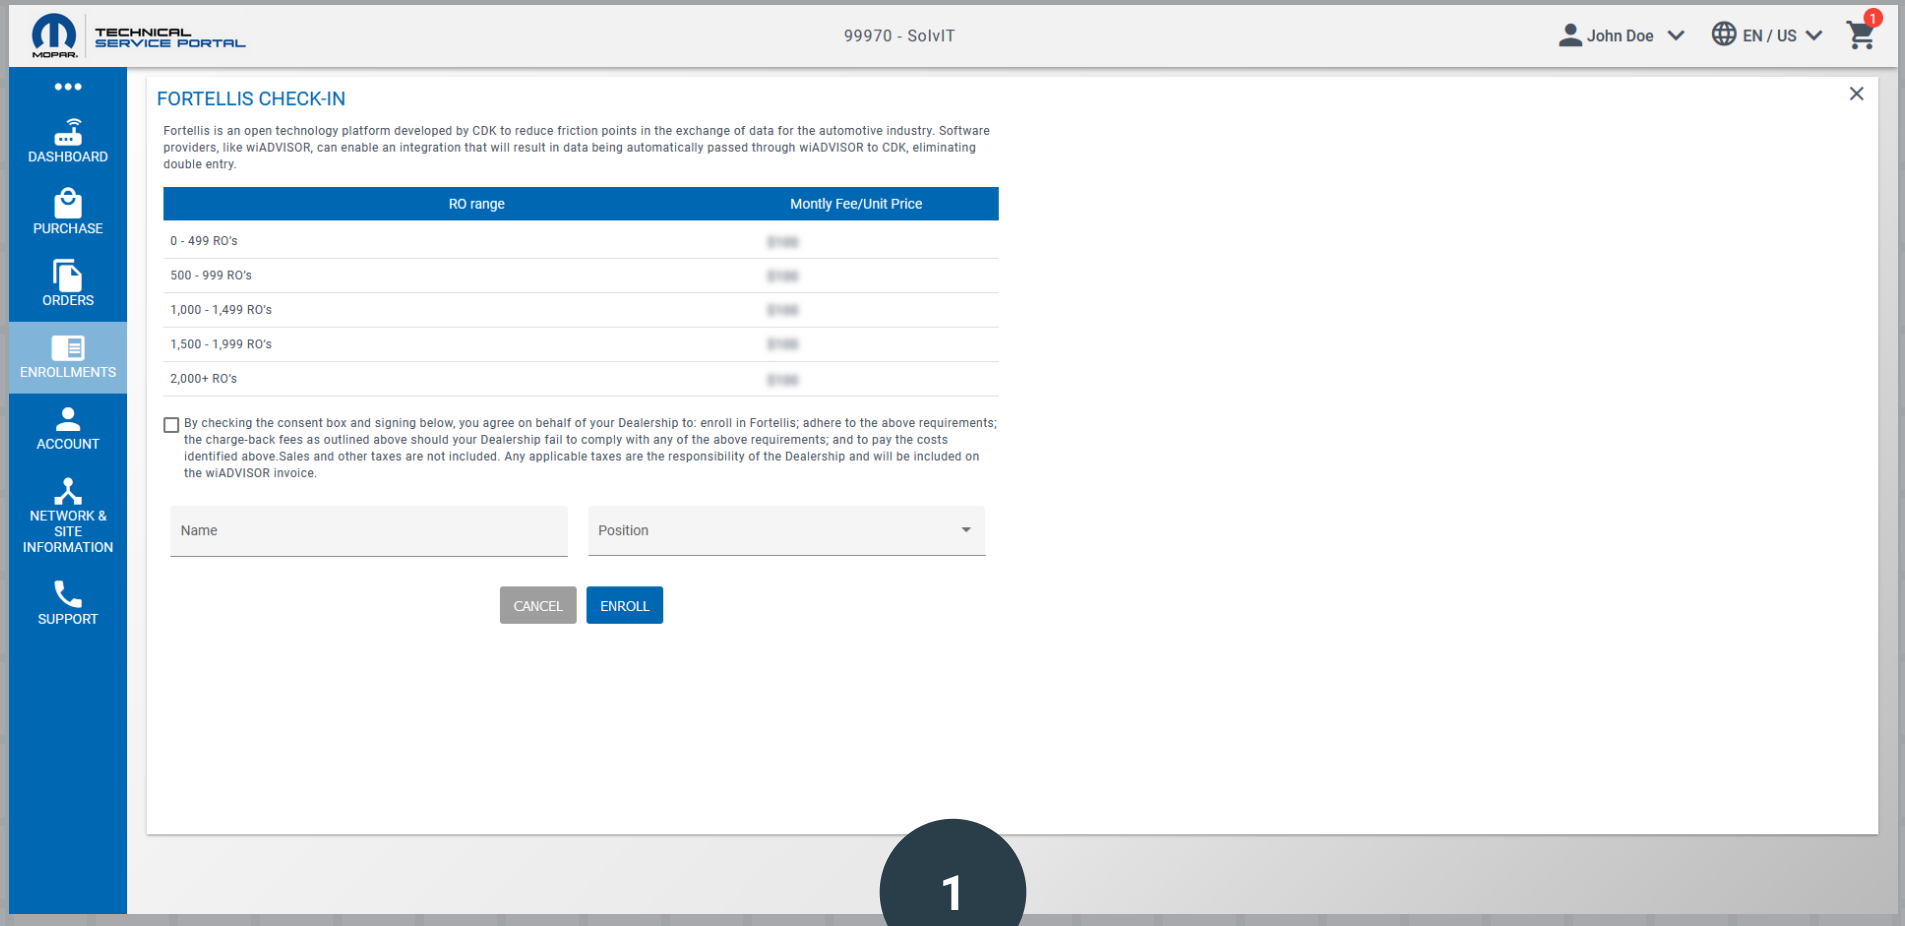

1

The Continuous Training Program is a proactive approach to help your dealership achieve a consistent, high-level performance and leverage the latest wiADVISOR enhancements. Training days will be delivered either as on-site, virtual or a combination of both.

Note: Gold Support Continuous Training is available once you are enrolled in wiADVISOR. For pricing and more information, please go to wiADVISOR Enrollments in the TSP. You will be able to view the other available enrollments once you enroll in the wiADVISOR Enrollment Bundle.

FORTELLIS CHECK-IN ENROLLMENT

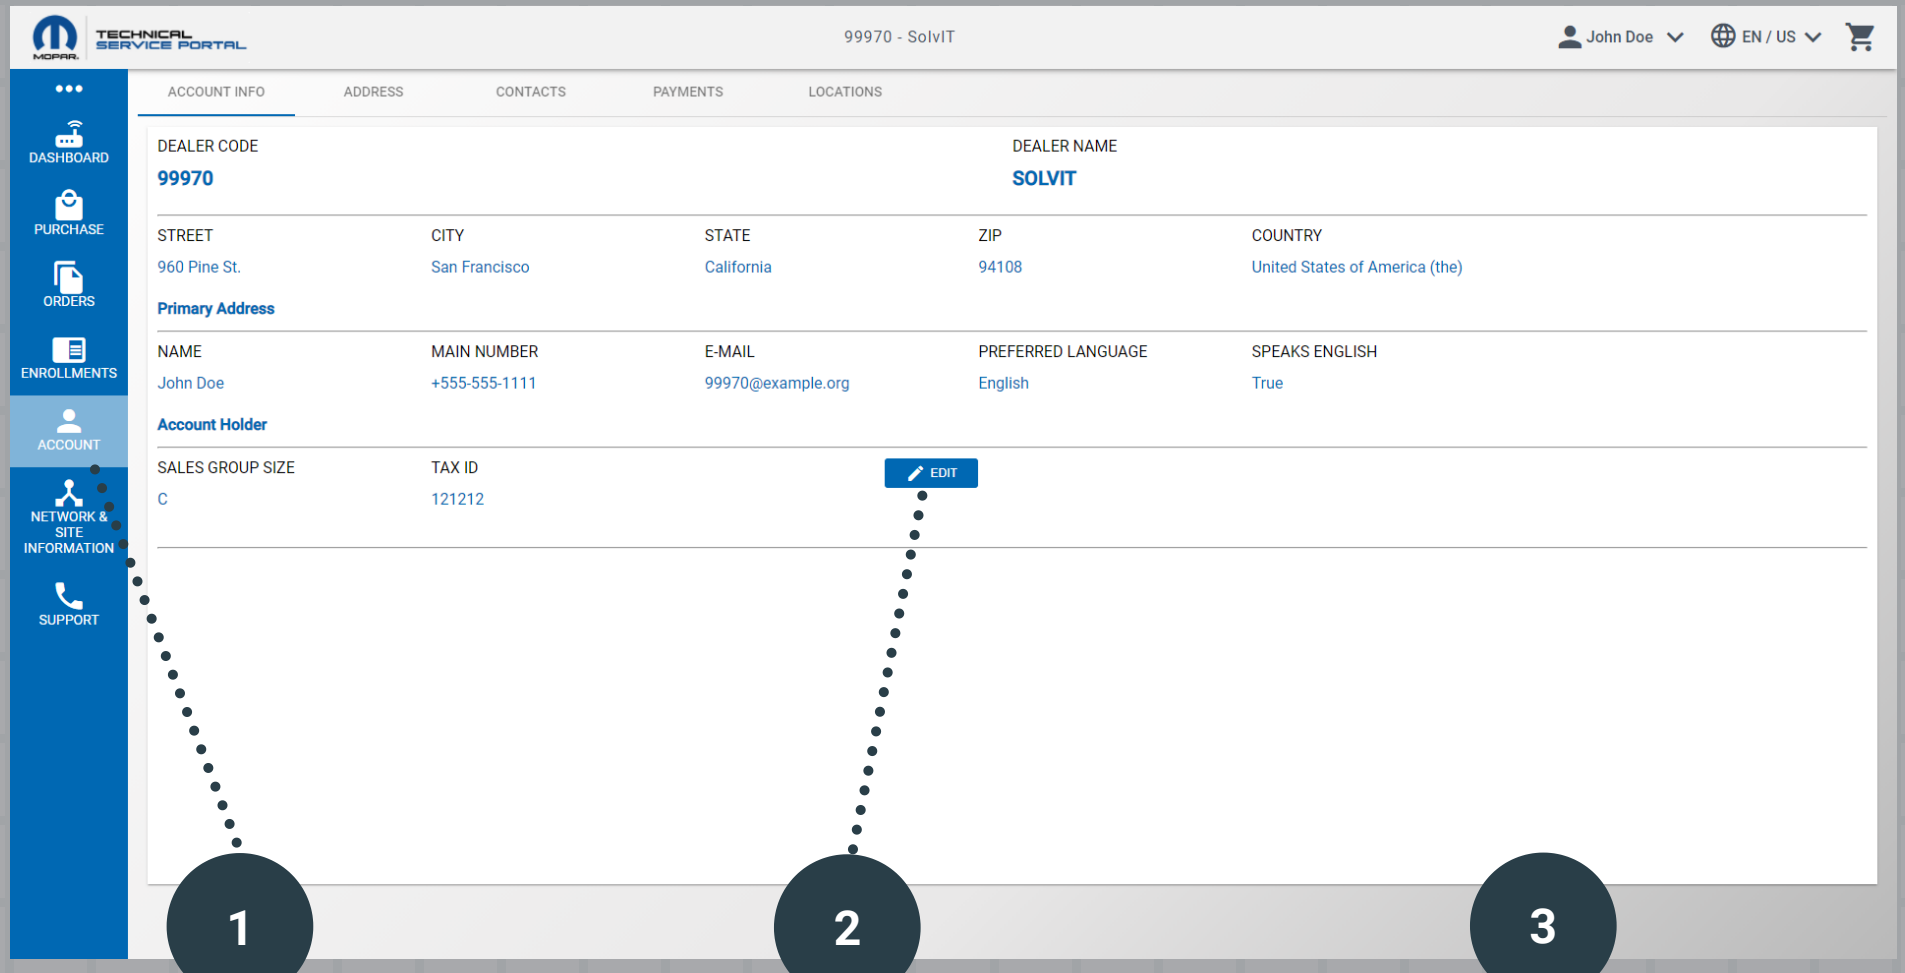

1

Fortellis is an open technology platform developed by CDK to reduce friction points in the exchange of data for the automotive industry. Software providers, like wiADVISOR, can enable an integration that will result in data being automatically passed through wiADVISOR to CDK, eliminating double entry.

Note: Fortellis is only available to CDK dealers enrolled in wiADVISOR. For pricing and more information, please go to wiADVISOR Enrollments in the TSP. You will be able to view the other available enrollments once you enroll in the wiADVISOR Enrollment Bundle.

ACCOUNT

MANAGING YOUR ACCOUNT

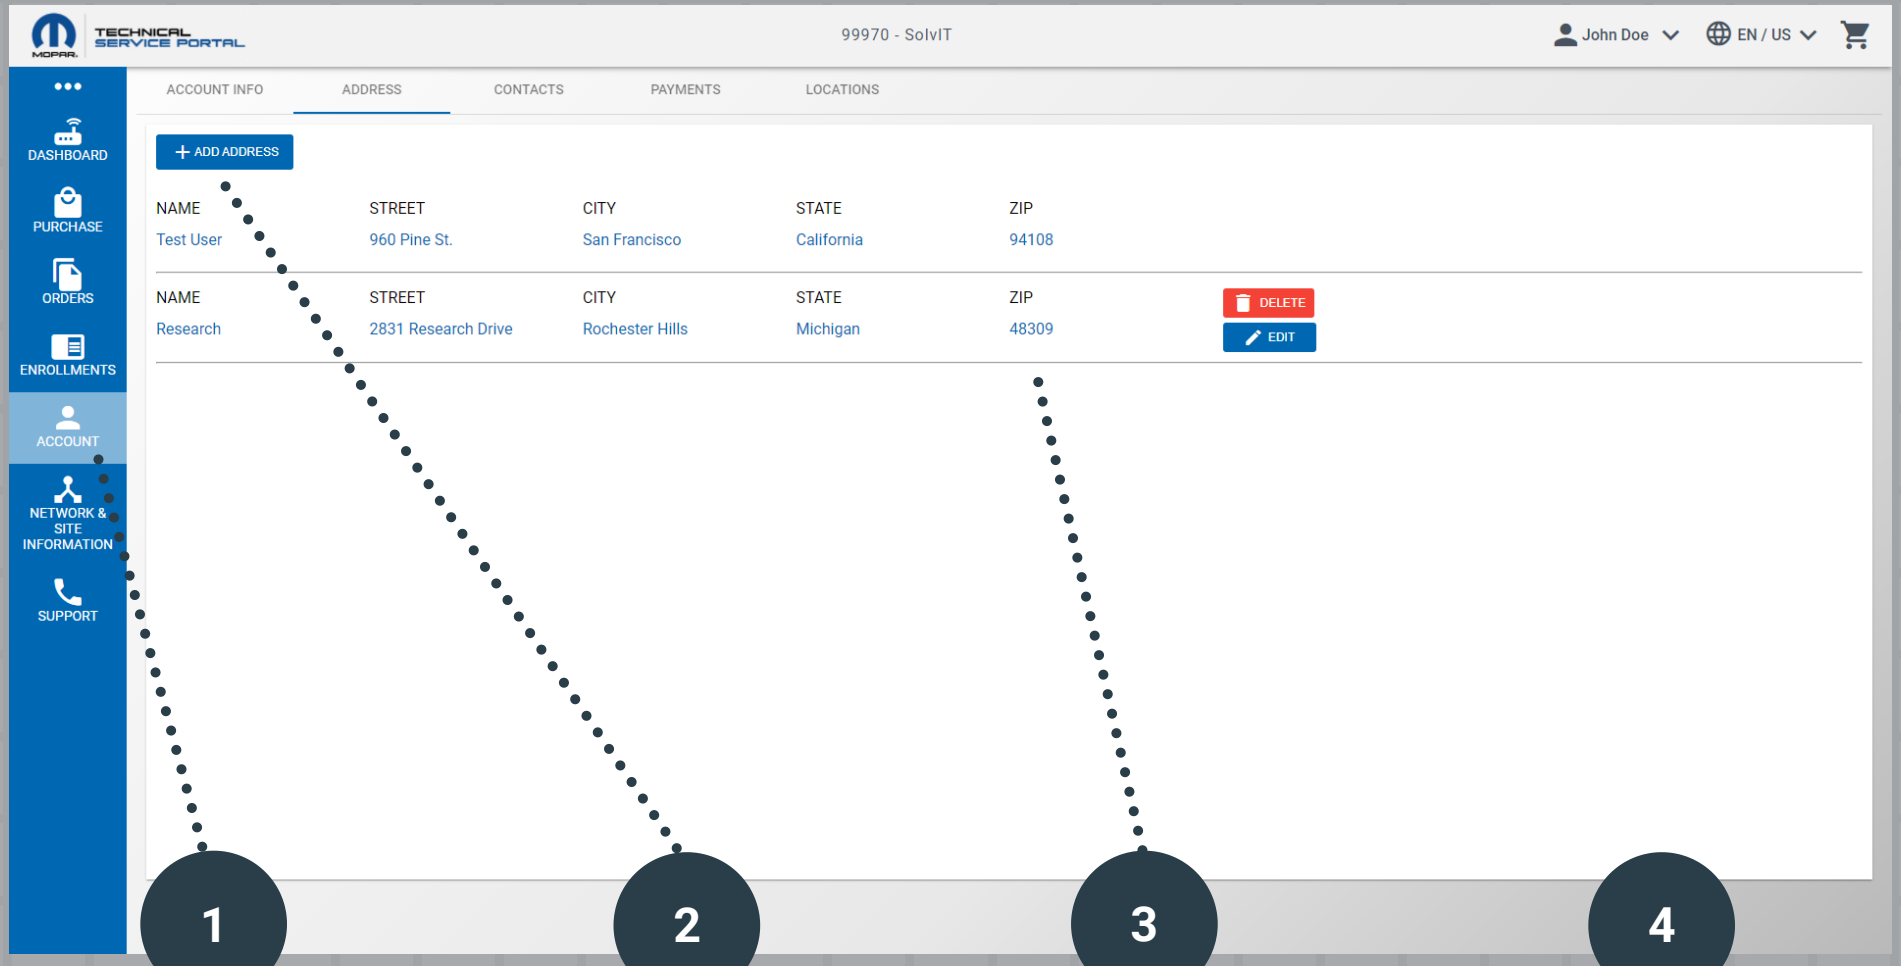

Click on Account in the side navigation bar.

Edit your Tax ID if needed.

The rest of the Account Info on this page is not editable through the TSP. If you need to make changes, please contact the Support Team.

ADDRESSES

MANAGING YOUR ADDRESSES

1. Click on Account in the side navigation bar then on Addresses in the top bar.

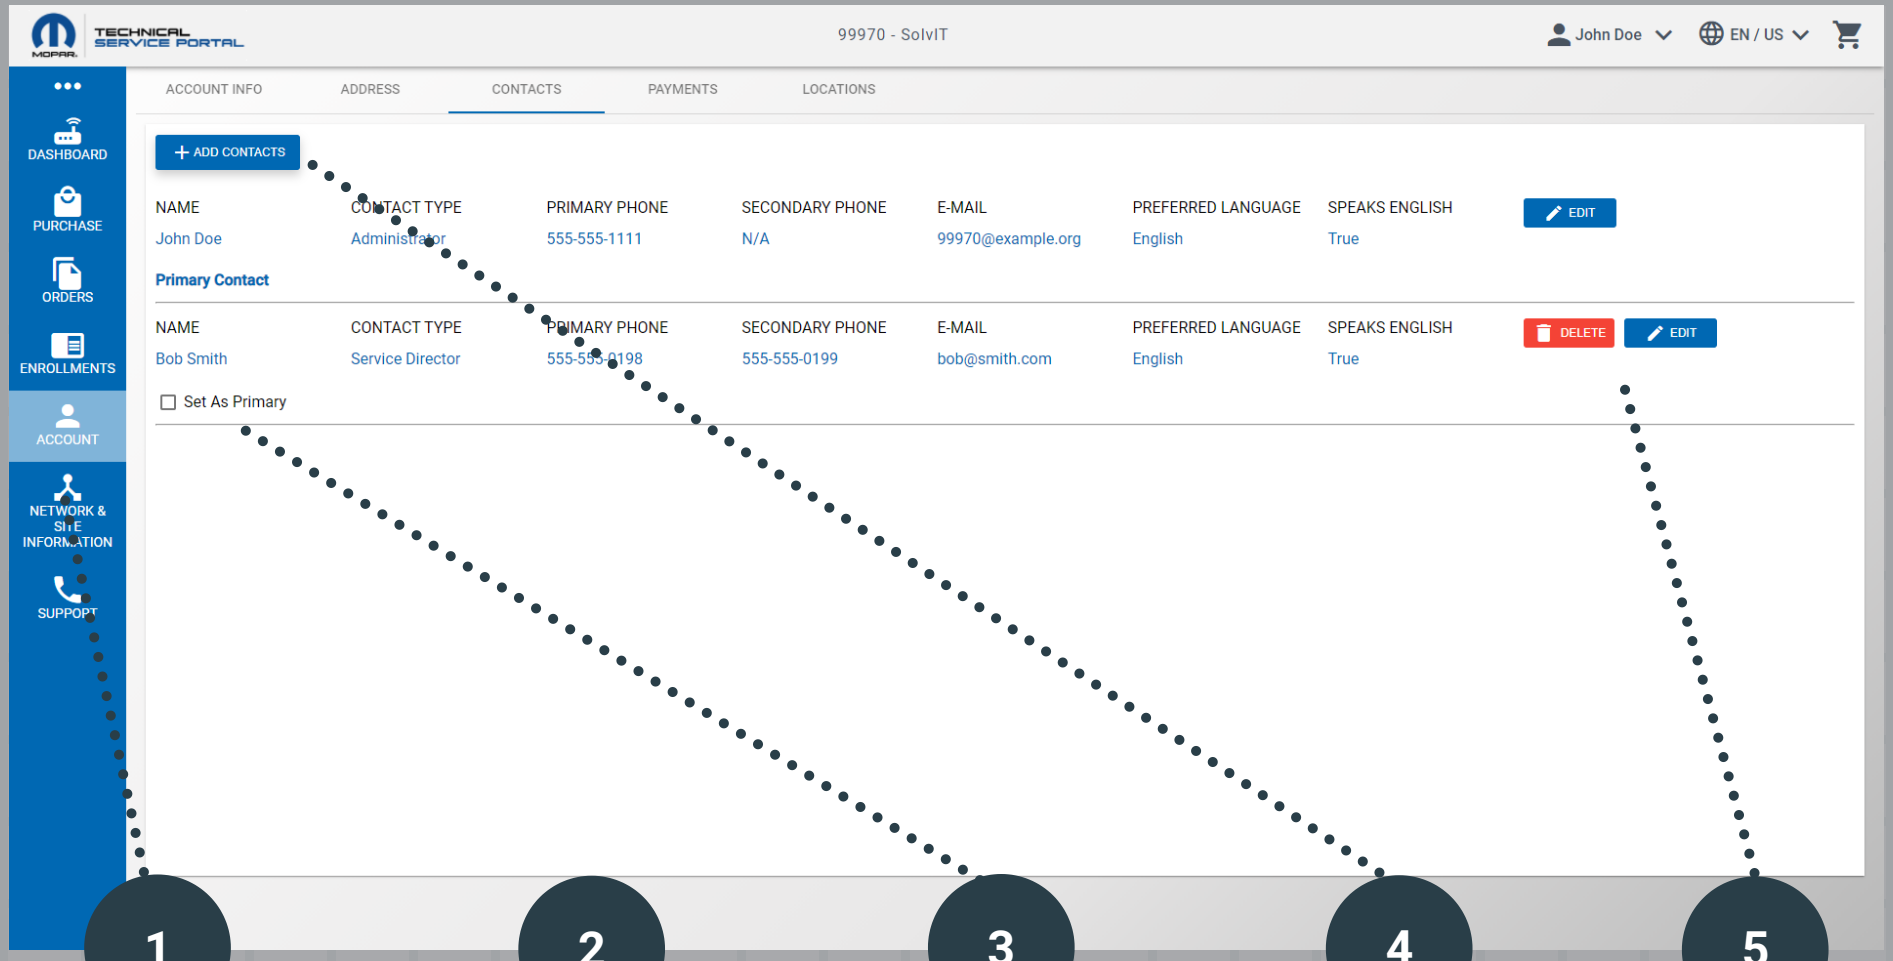

2. Add new addresses to your account.

3. Addresses saved in your account show up here.

4. **Note:** The main address on your account is not editable through the TSP. If you need to make changes, please contact the Support Team.

CONTACTS

MANAGING YOUR CONTACTS

1 Click on Account in the side navigation bar then on Contacts in the top bar.

2 All of your contacts are listed here.

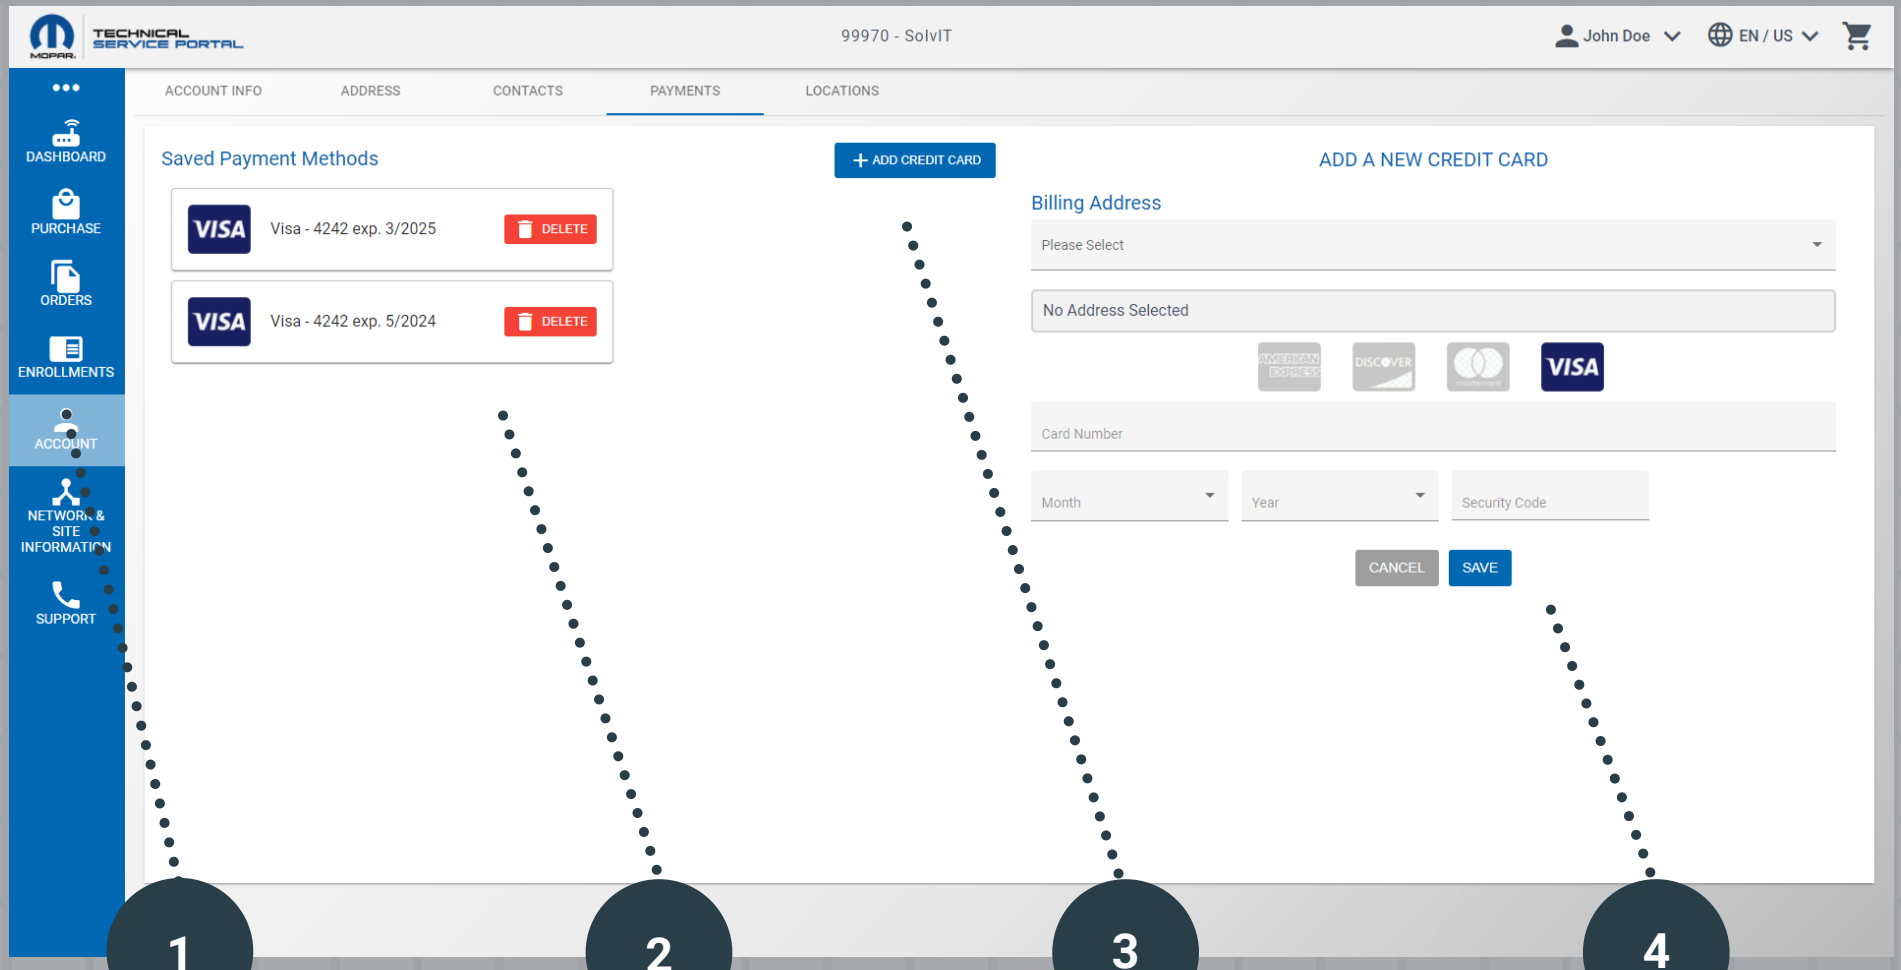

3 Set a contact as the Primary Contact.

4 Add new contacts to your account.

5 Edit or delete your contacts.

PAYMENT METHODS

MANAGING YOUR PAYMENT METHODS

1

Click on Account in the side navigation bar then on Payments in the top bar.

2

Your Saved Payment Methods are listed here.

3

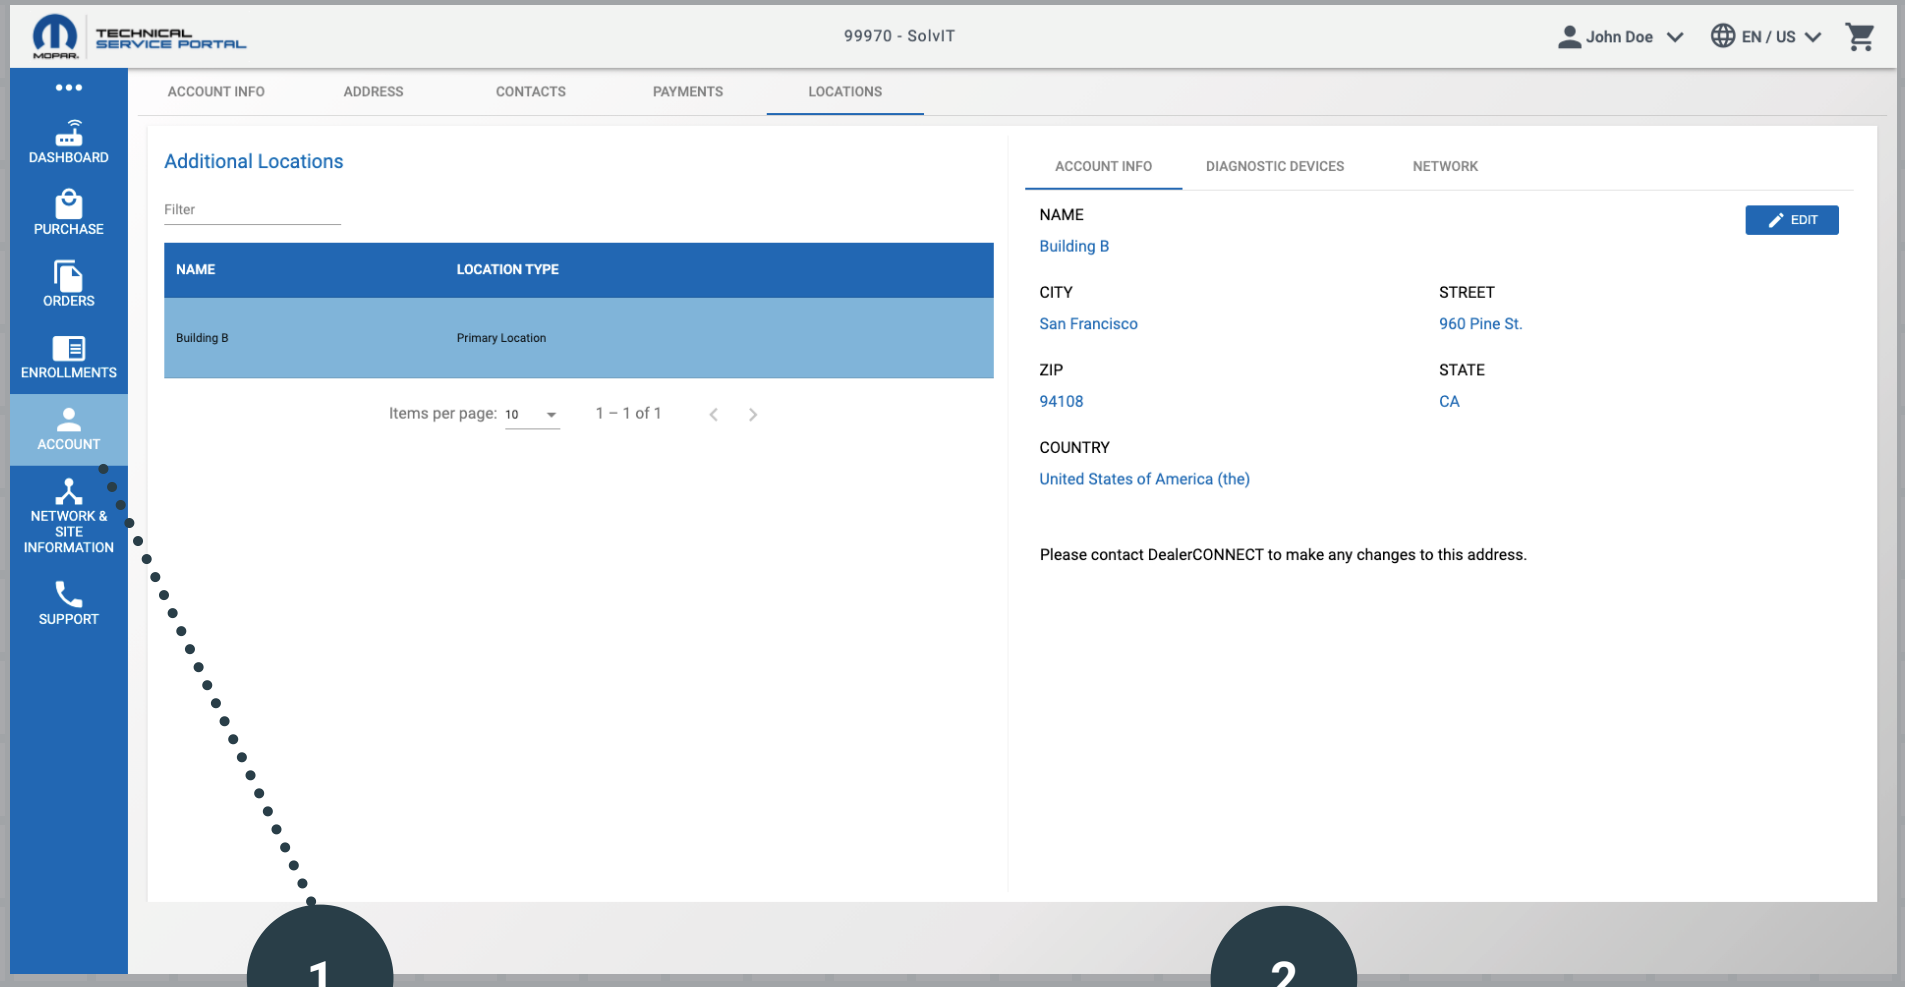

Add a new credit card to your account.

4

After you click the Add Credit Card button, this form will come up. Enter your credit card information and save it as an available Payment Method.

LOCATIONS

WHAT ARE LOCATIONS?

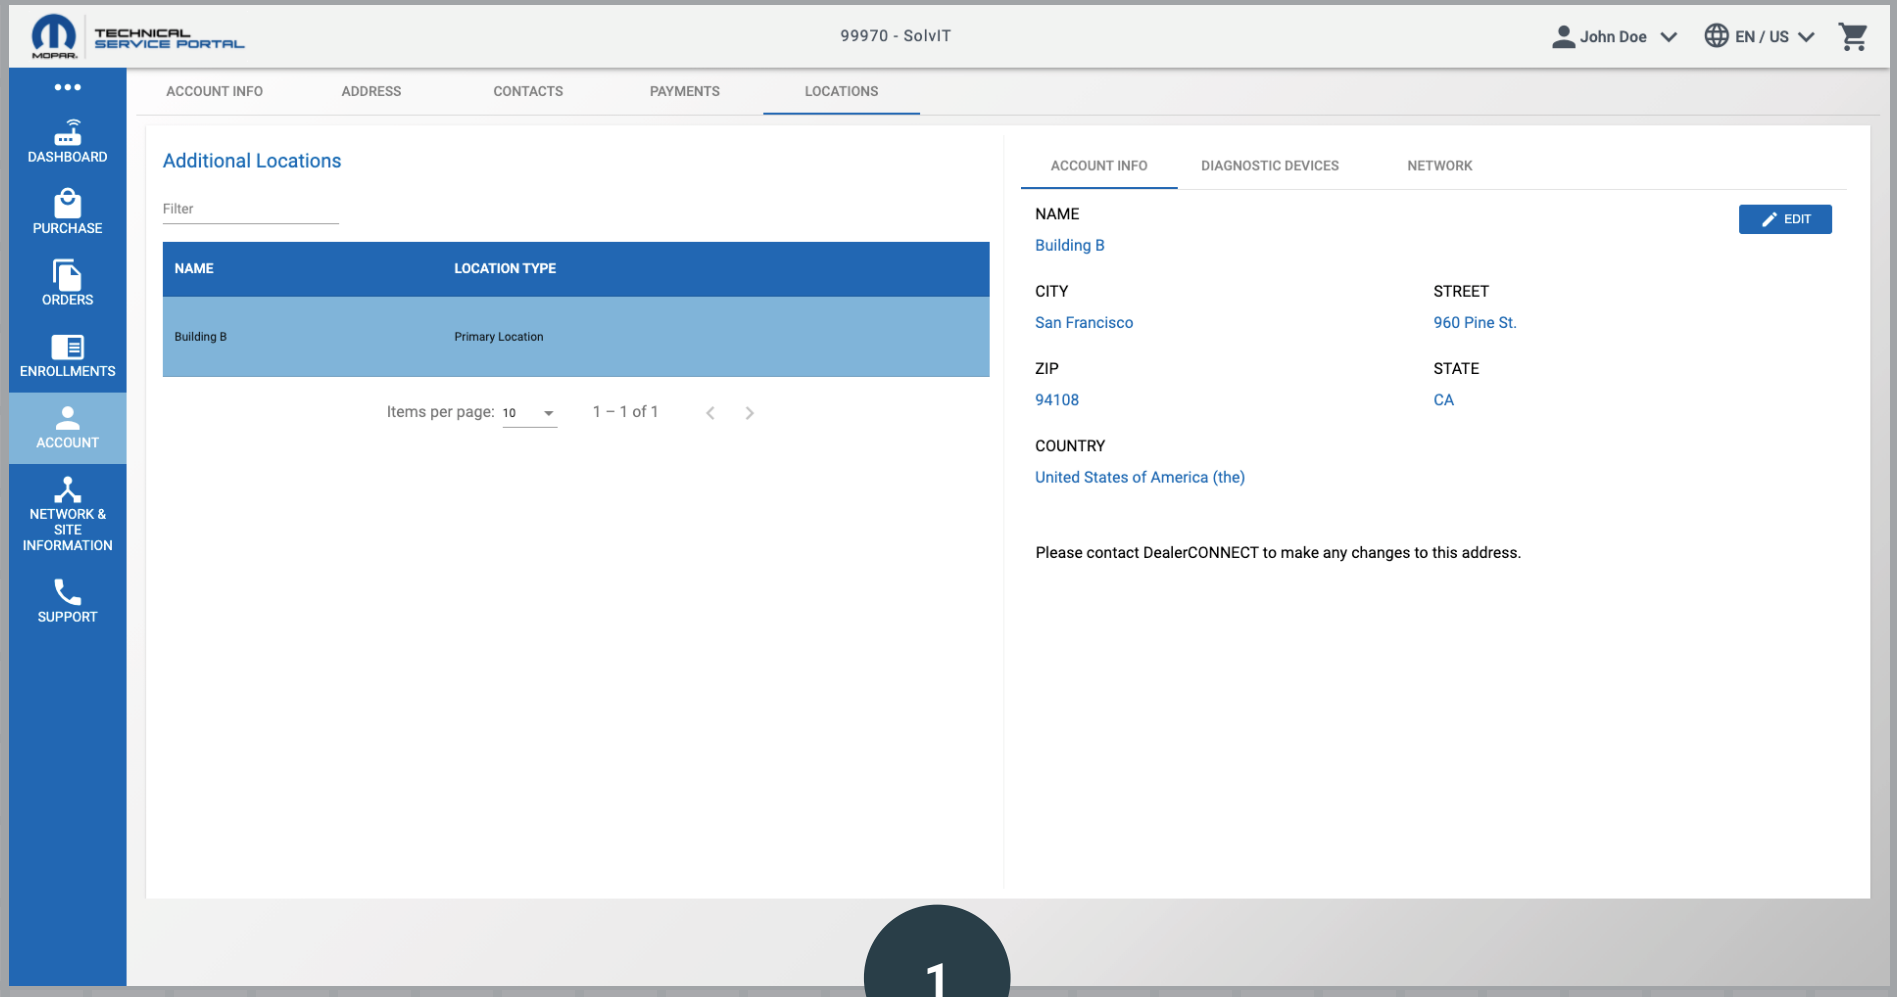

1

Click on Account in the side navigation bar then on Locations in the top bar.

2

Locations are other business locations that are closely associated to yours. These can be separate areas of the dealership or separate buildings associated with the dealership. These Locations exist under your Dealer Account to give you centralized control of the Location's devices.

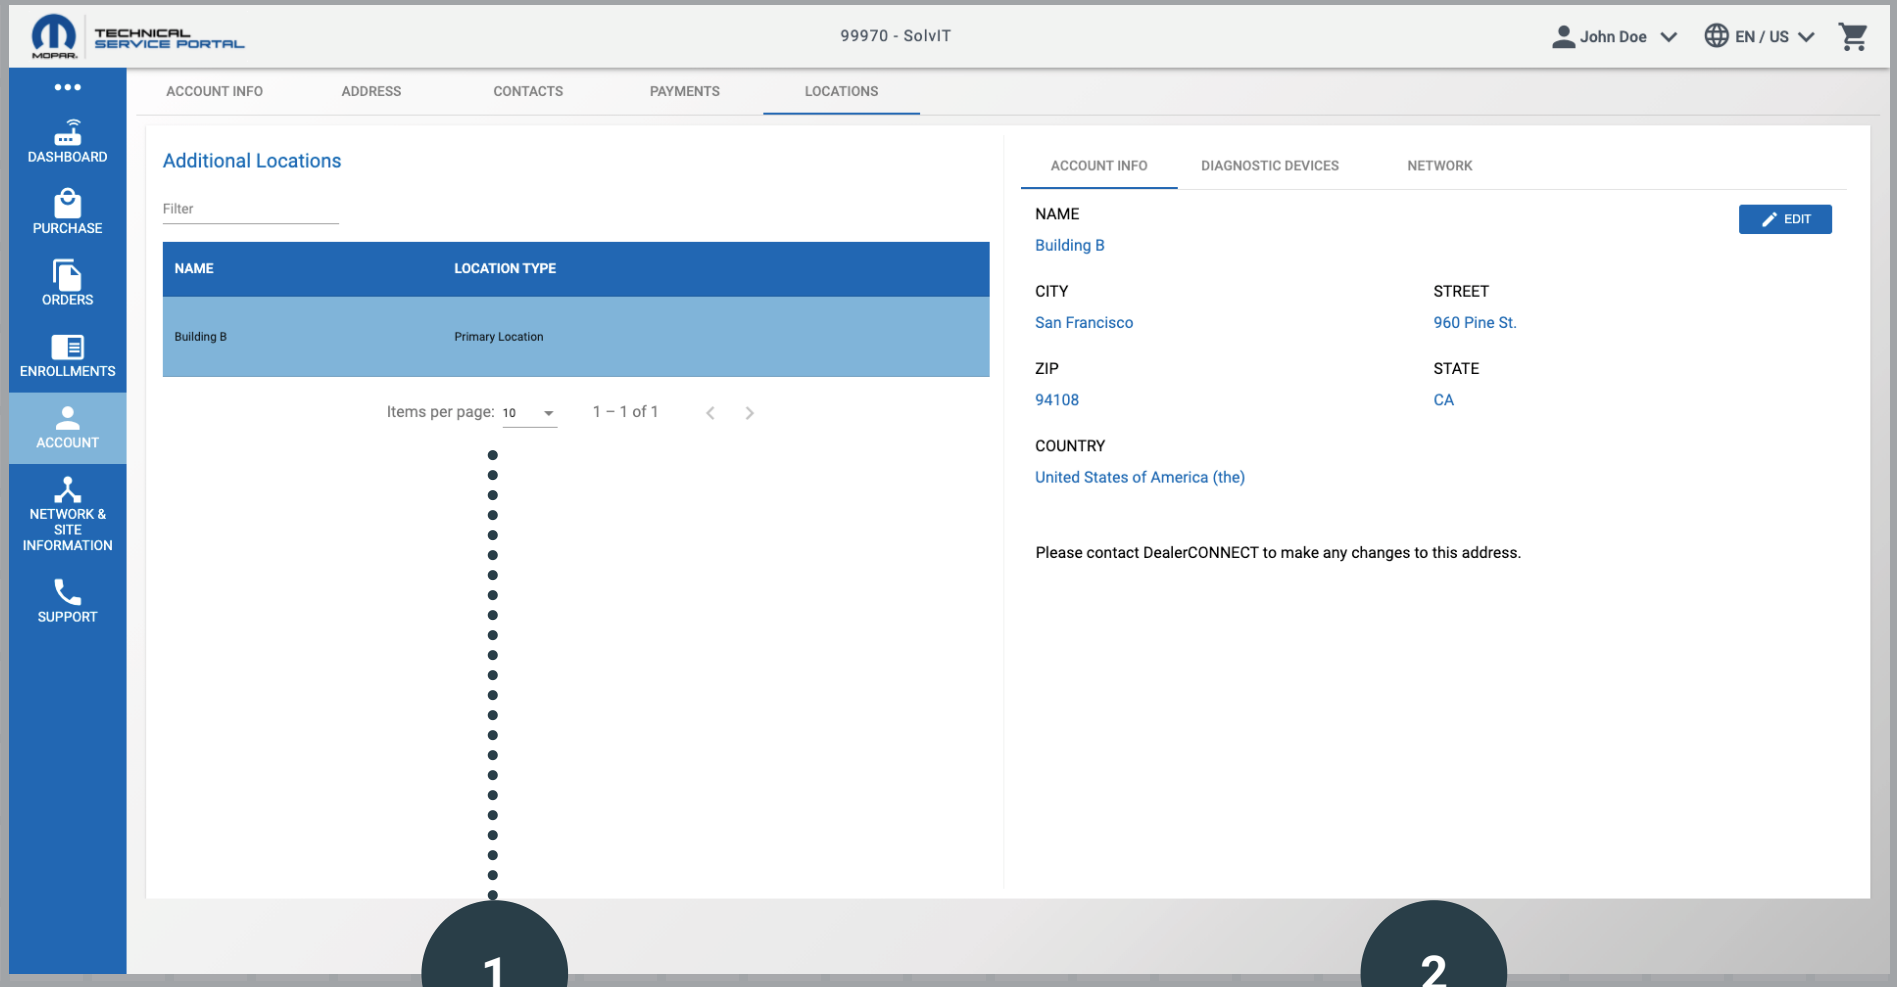

ADDING LOCATIONS

1

Need to add a Location to your Main Account? This cannot be done through the TSP. Please contact the Support Team for further assistance.

YOUR LOCATIONS

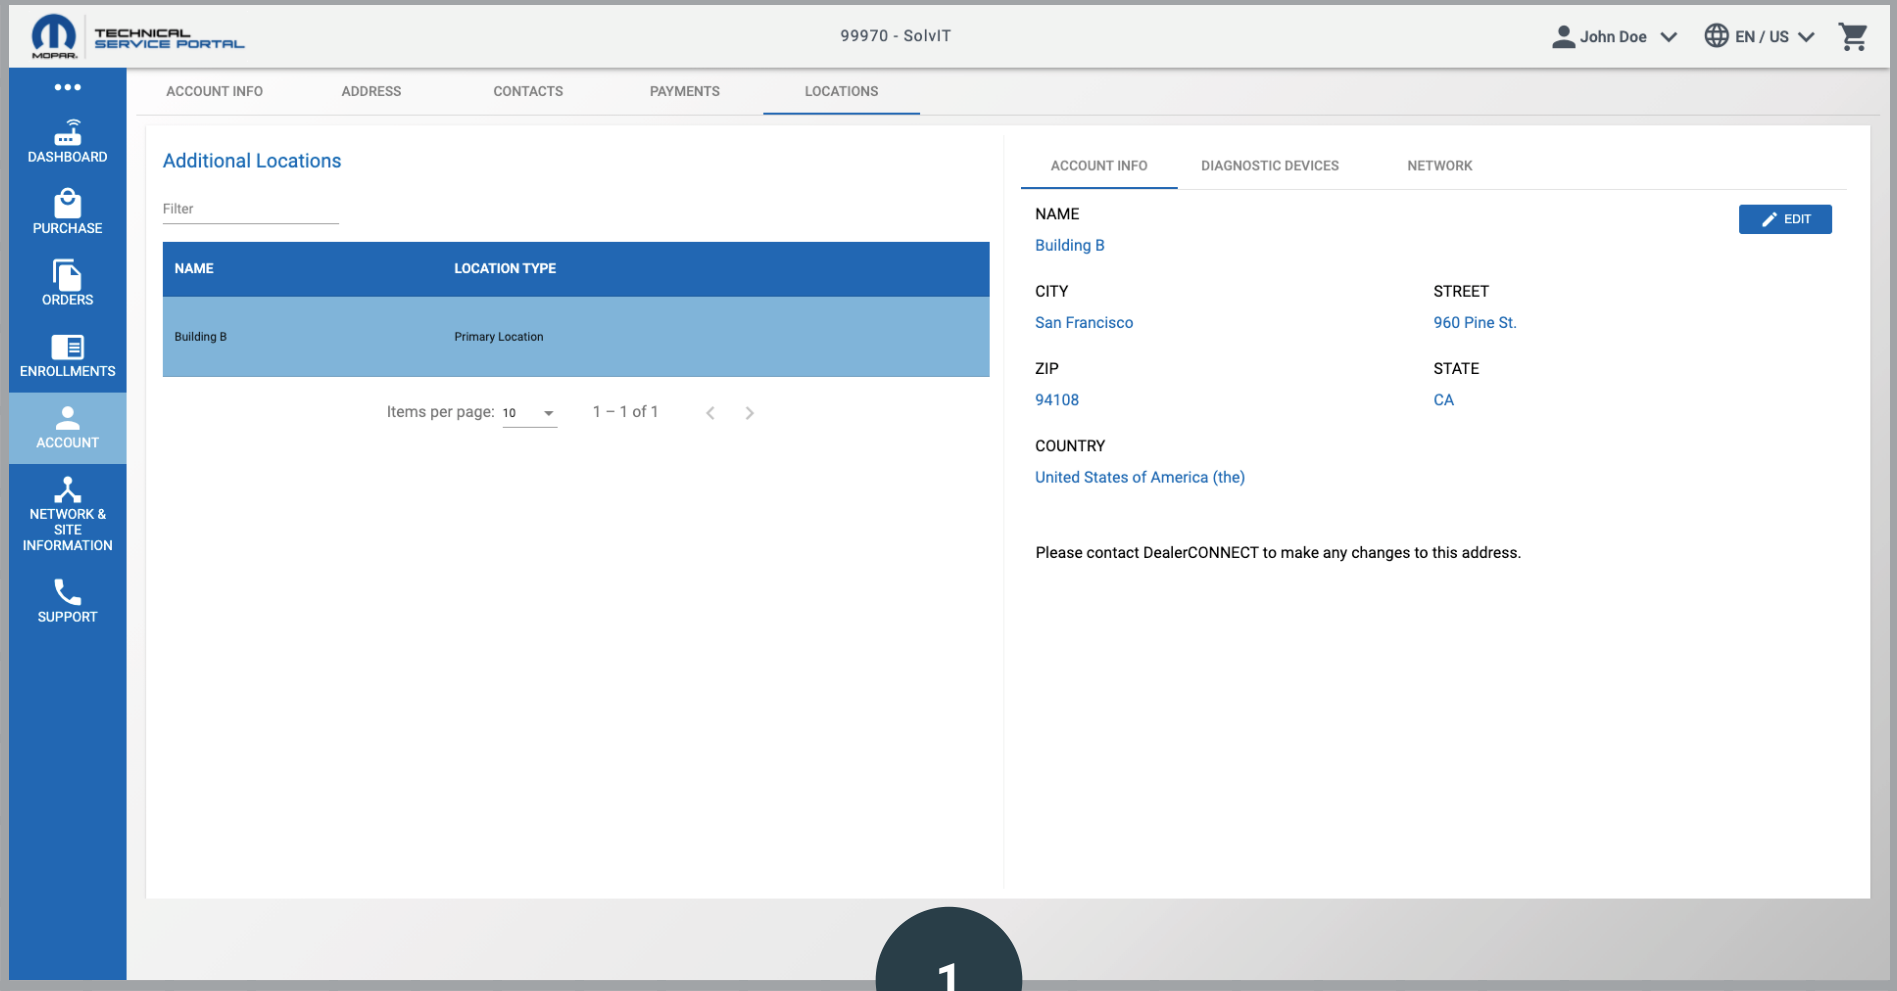

1

Your existing Locations are listed here. Click on one to see more details on the right side of the page.

2

Details on the Location are listed here, including the name, email, phone number, devices, device users and network.

MANAGING LOCATIONS

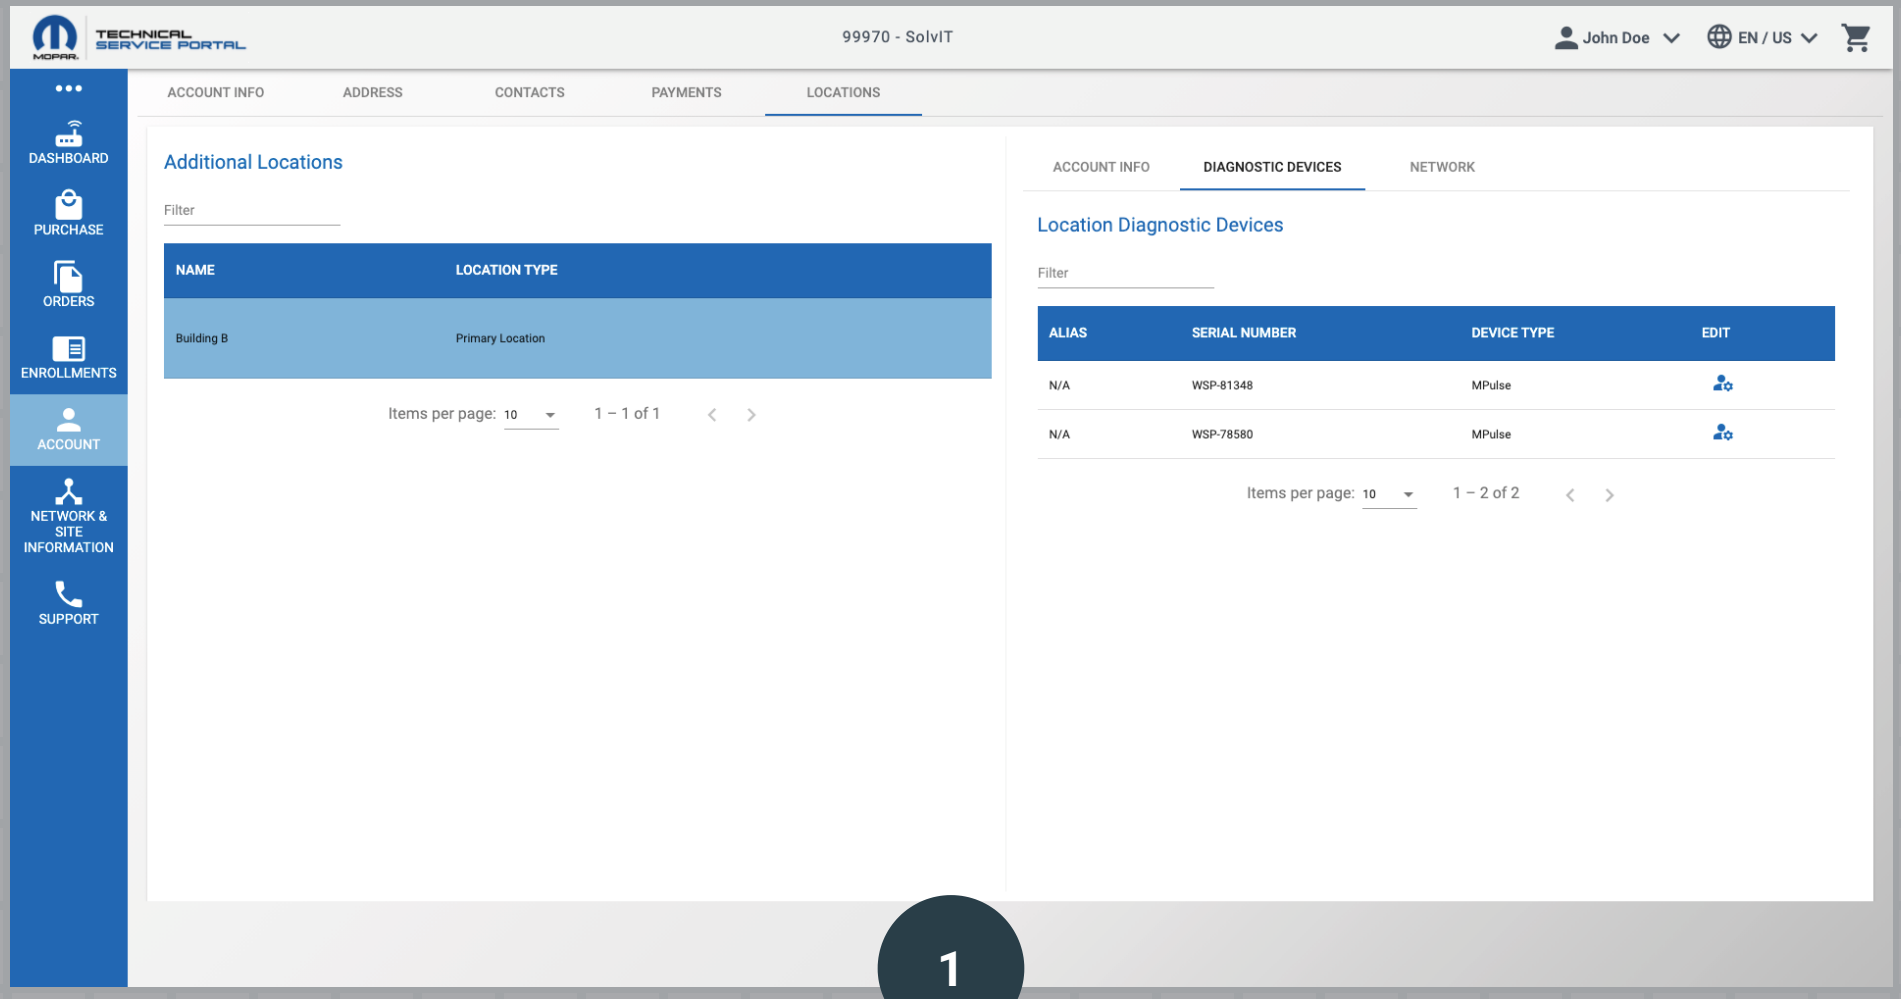

1

Go to the Account Info tab to view a Location's account information.

Click the Edit button to edit the Location's Name in the TSP.

Note: To update the Location's address, please contact DealerCONNECT.

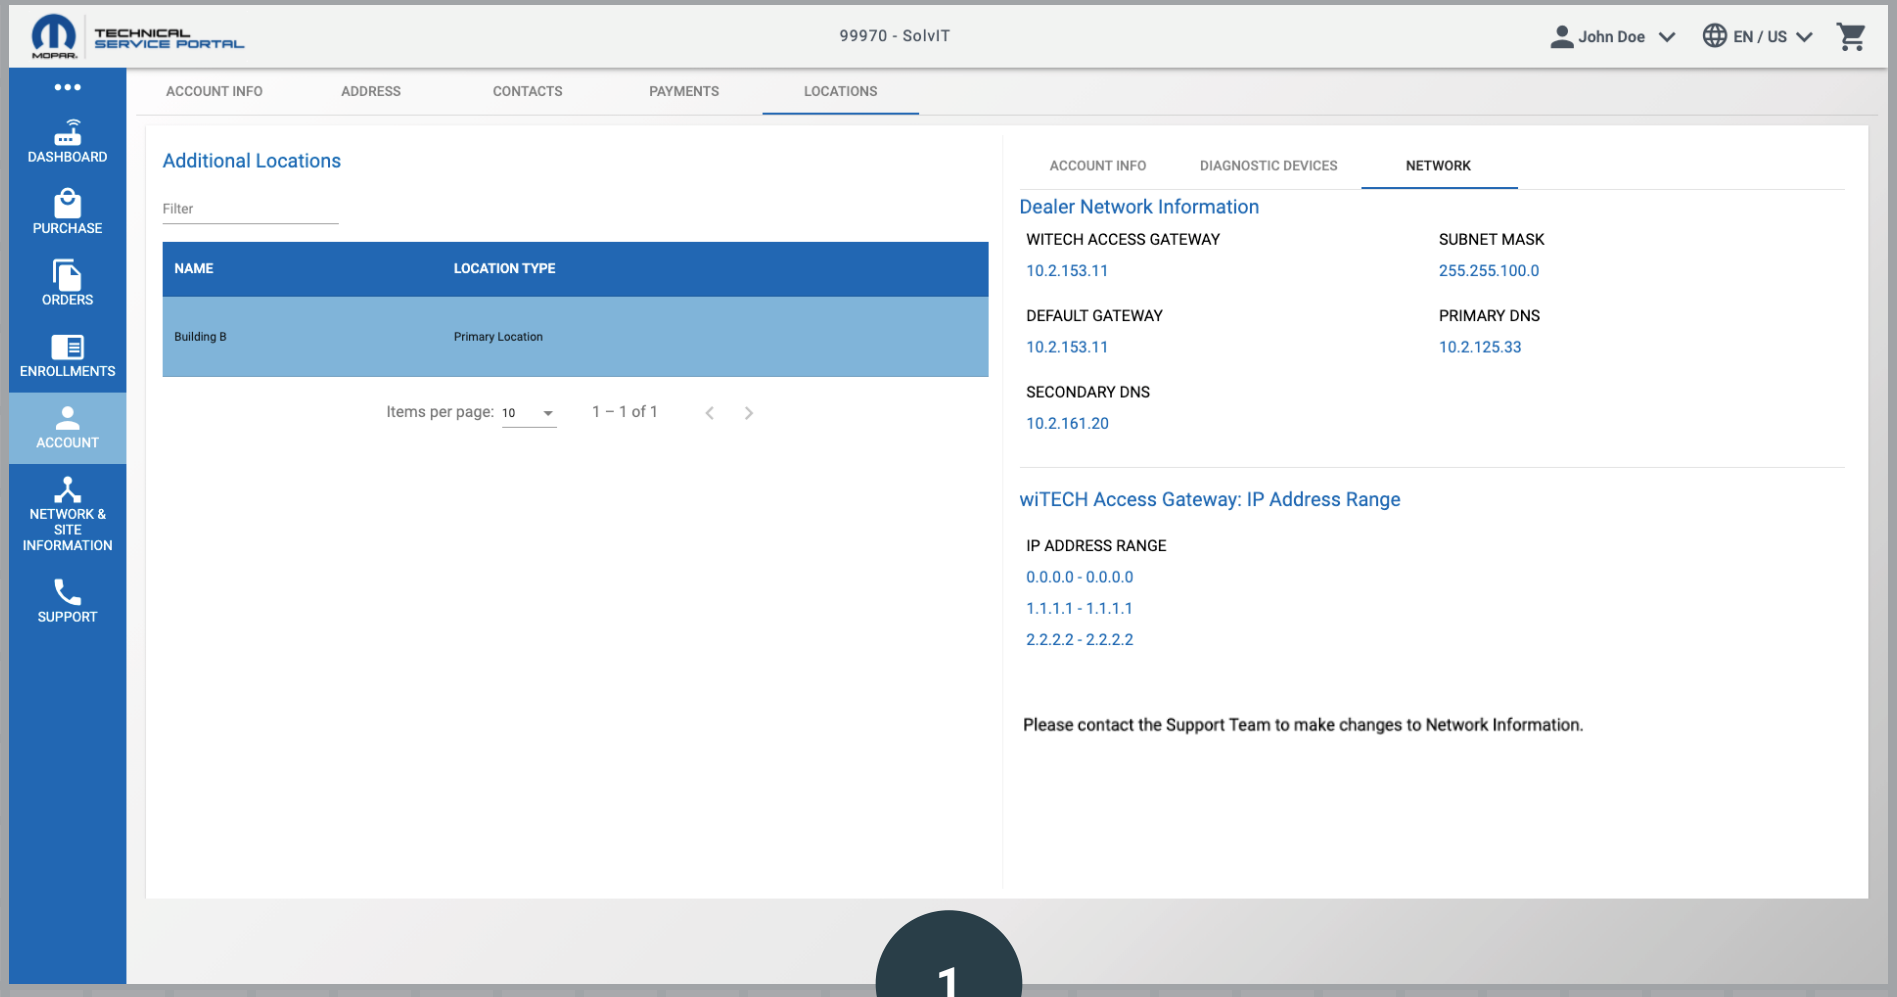

MANAGING A LOCATION'S DEVICES

1

To manage your Location's devices, go to the Diagnostic Devices tab. All of the devices on your account are listed here as well as on your account's Dashboard. Click the Edit icon to assign or unassign a device user on a specific device.

MANAGING A LOCATION'S NETWORK

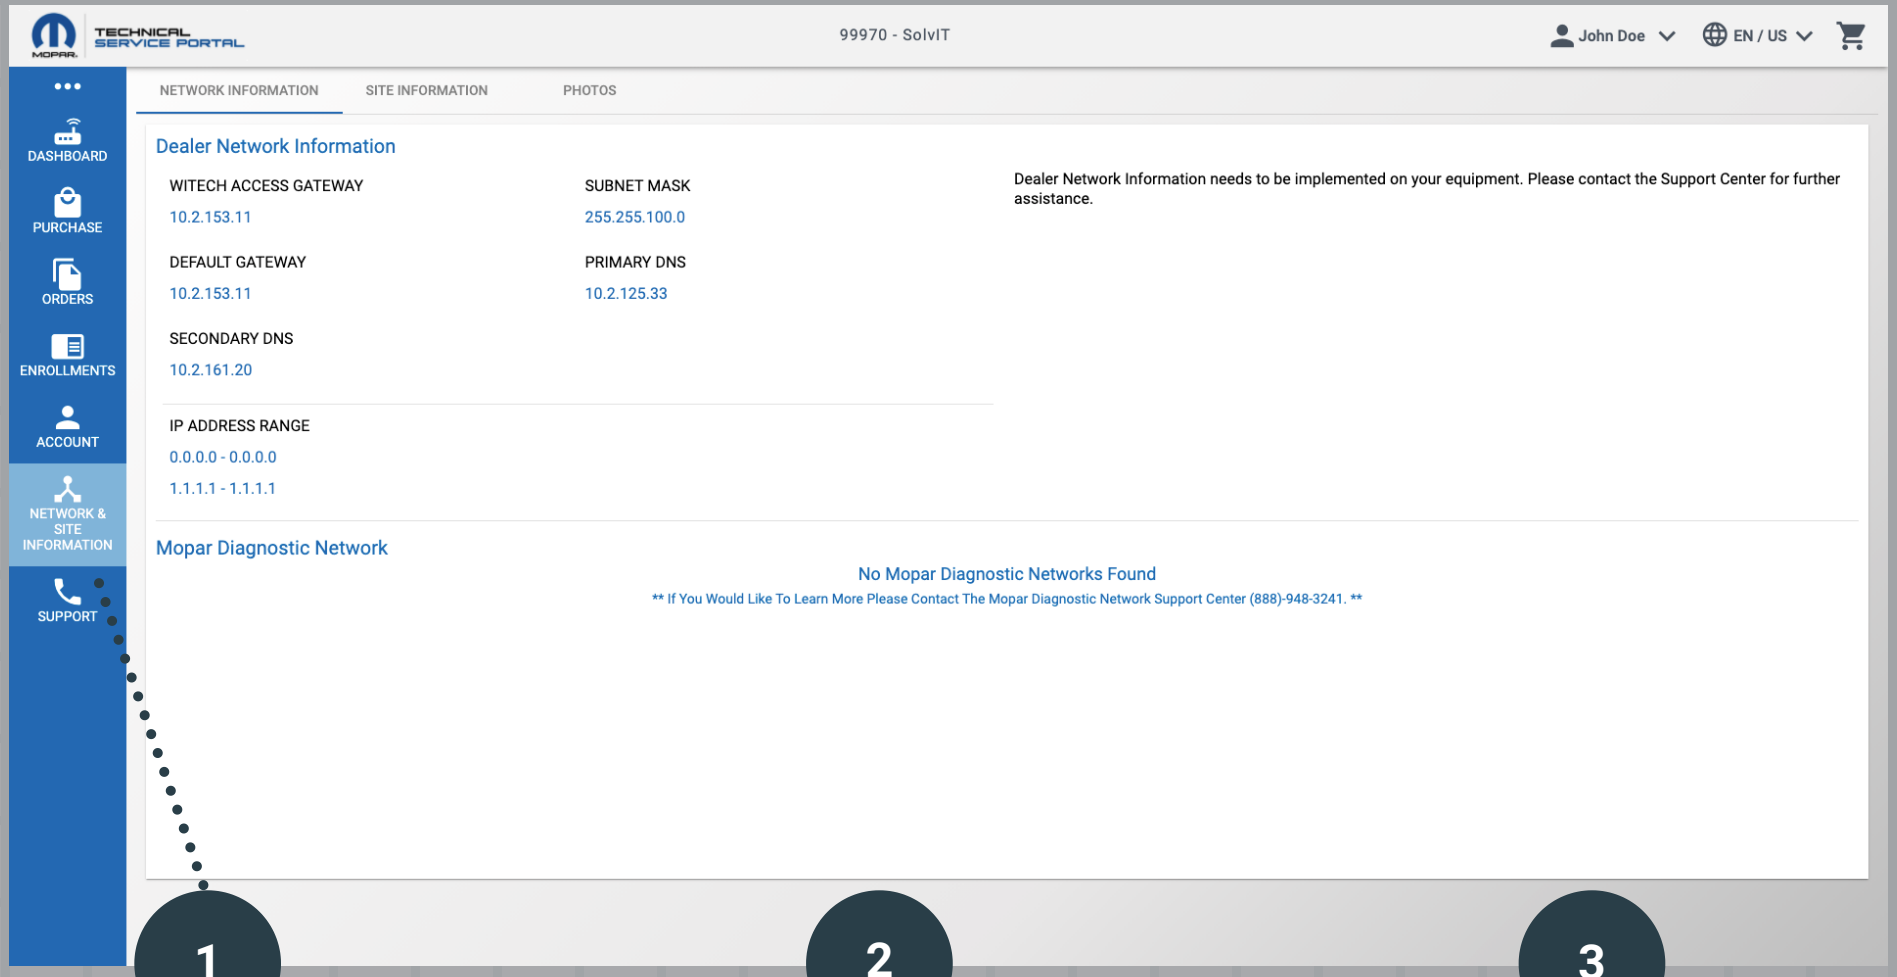

1

Your Location's Dealer Network Information is listed here for reference. Need to make changes? Please contact the Support Team for further assistance.

NETWORK AND SITE INFORMATION

MANAGING YOUR NETWORK INFORMATION

1

Click on Network & Site Information in the side navigation bar then on Network Information in the top bar.

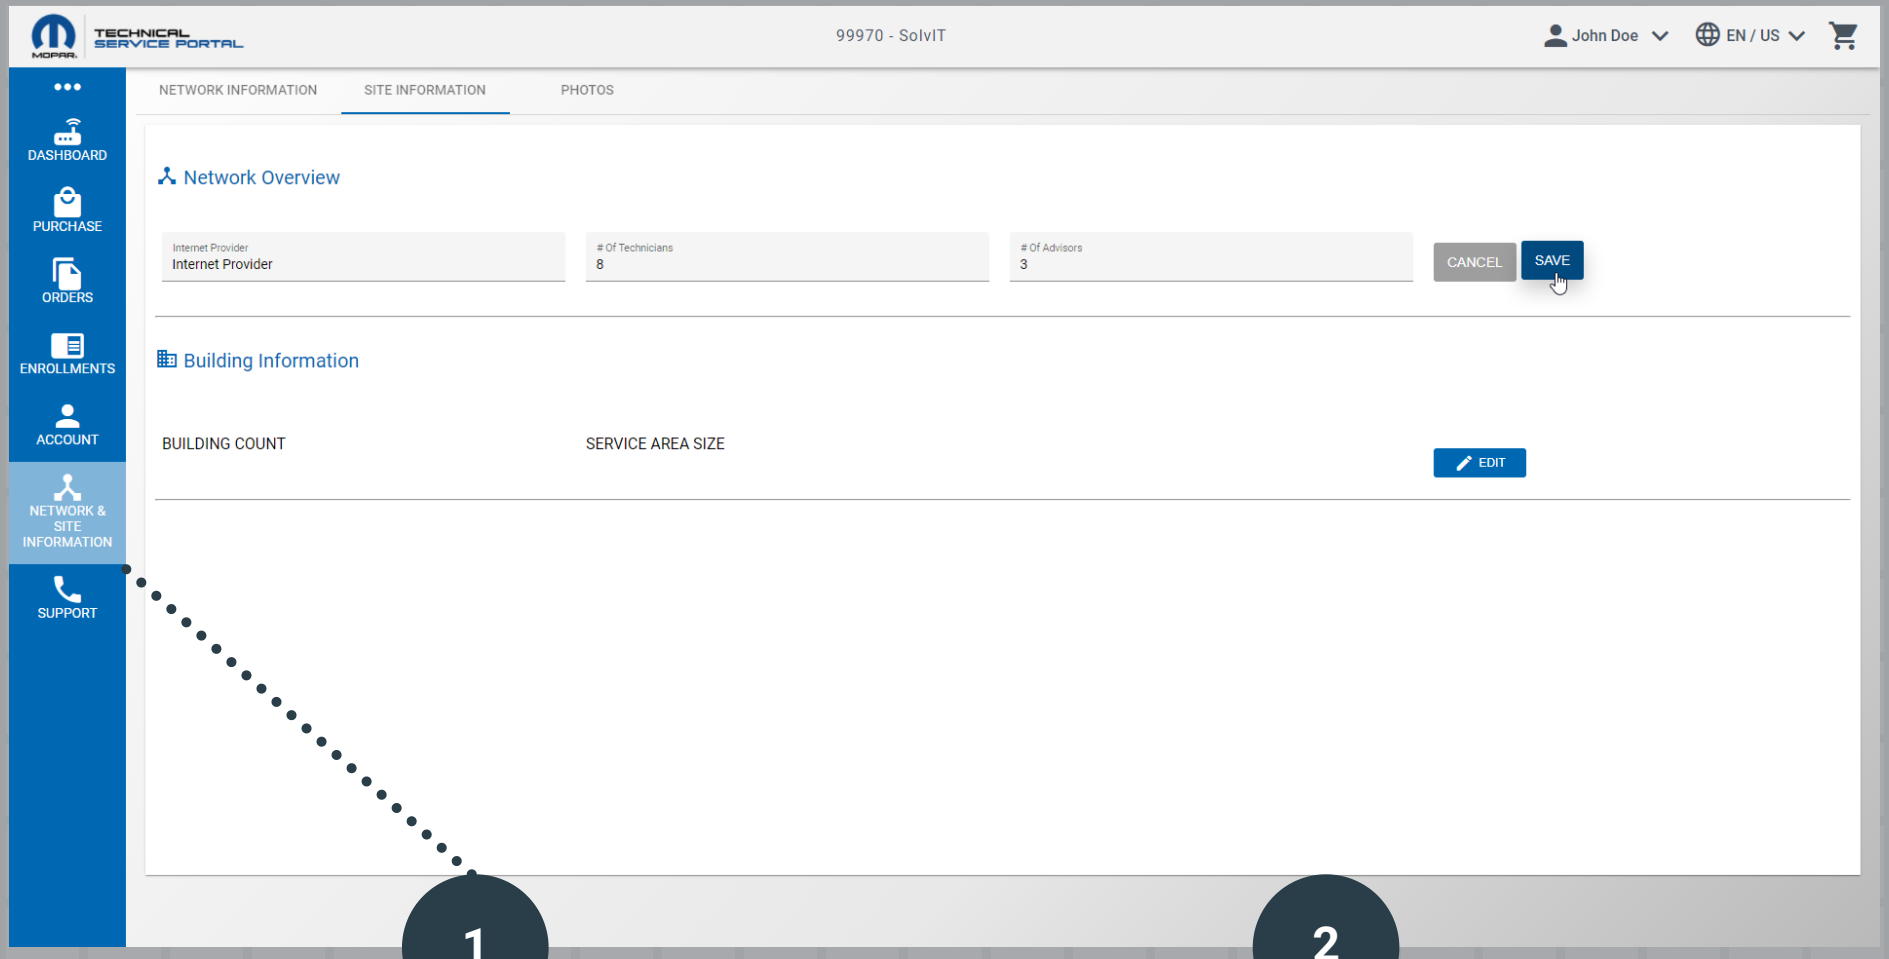

2

Your Dealer Network Information is listed here, along with your Mopar Diagnostic Network (if applicable).

3

Need to make changes to your Dealer Network Information? Want more information about the Mopar Diagnostic Network? Please contact the Support Team for further assistance.

MANAGING YOUR SITE INFORMATION

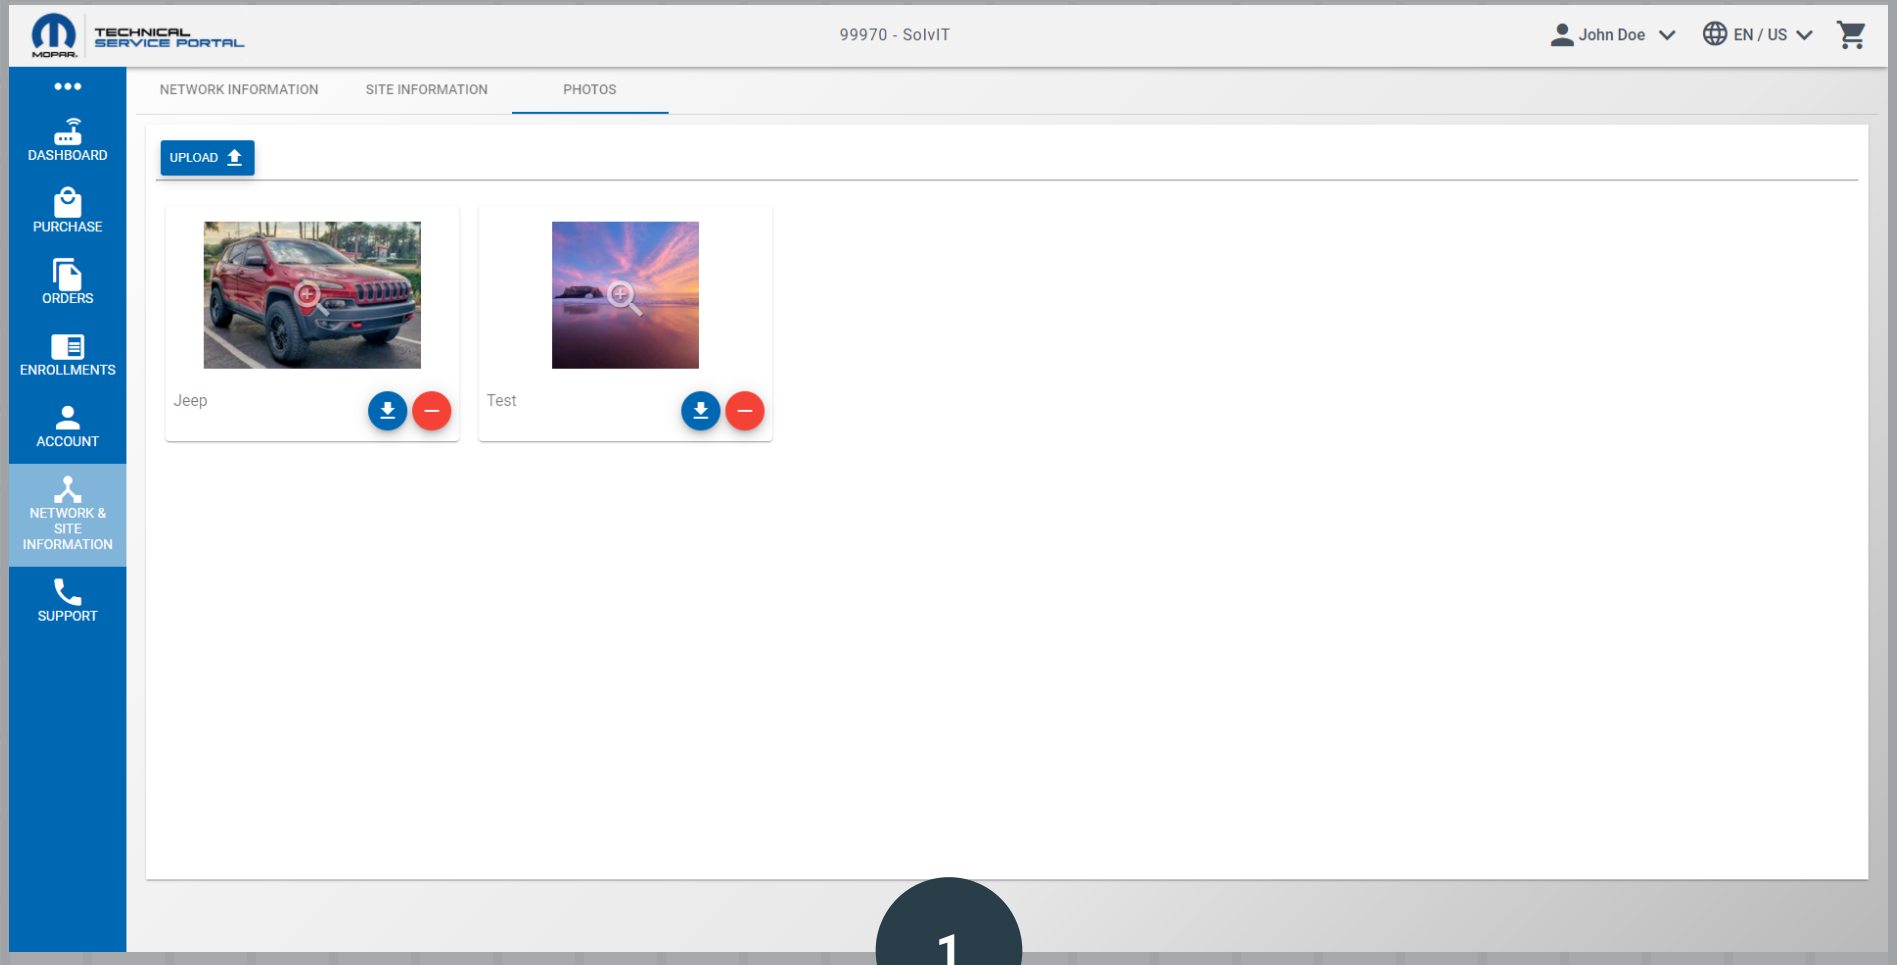

1

Click on Network & Site Information in the side navigation bar then on Site Information in the top bar.

2

You are able to edit your Dealership's Site and Building Information here. This will be helpful information to have on hand if you need to contact the Support Team for help with your equipment.

UPLOADING PHOTOS OF YOUR EQUIPMENT

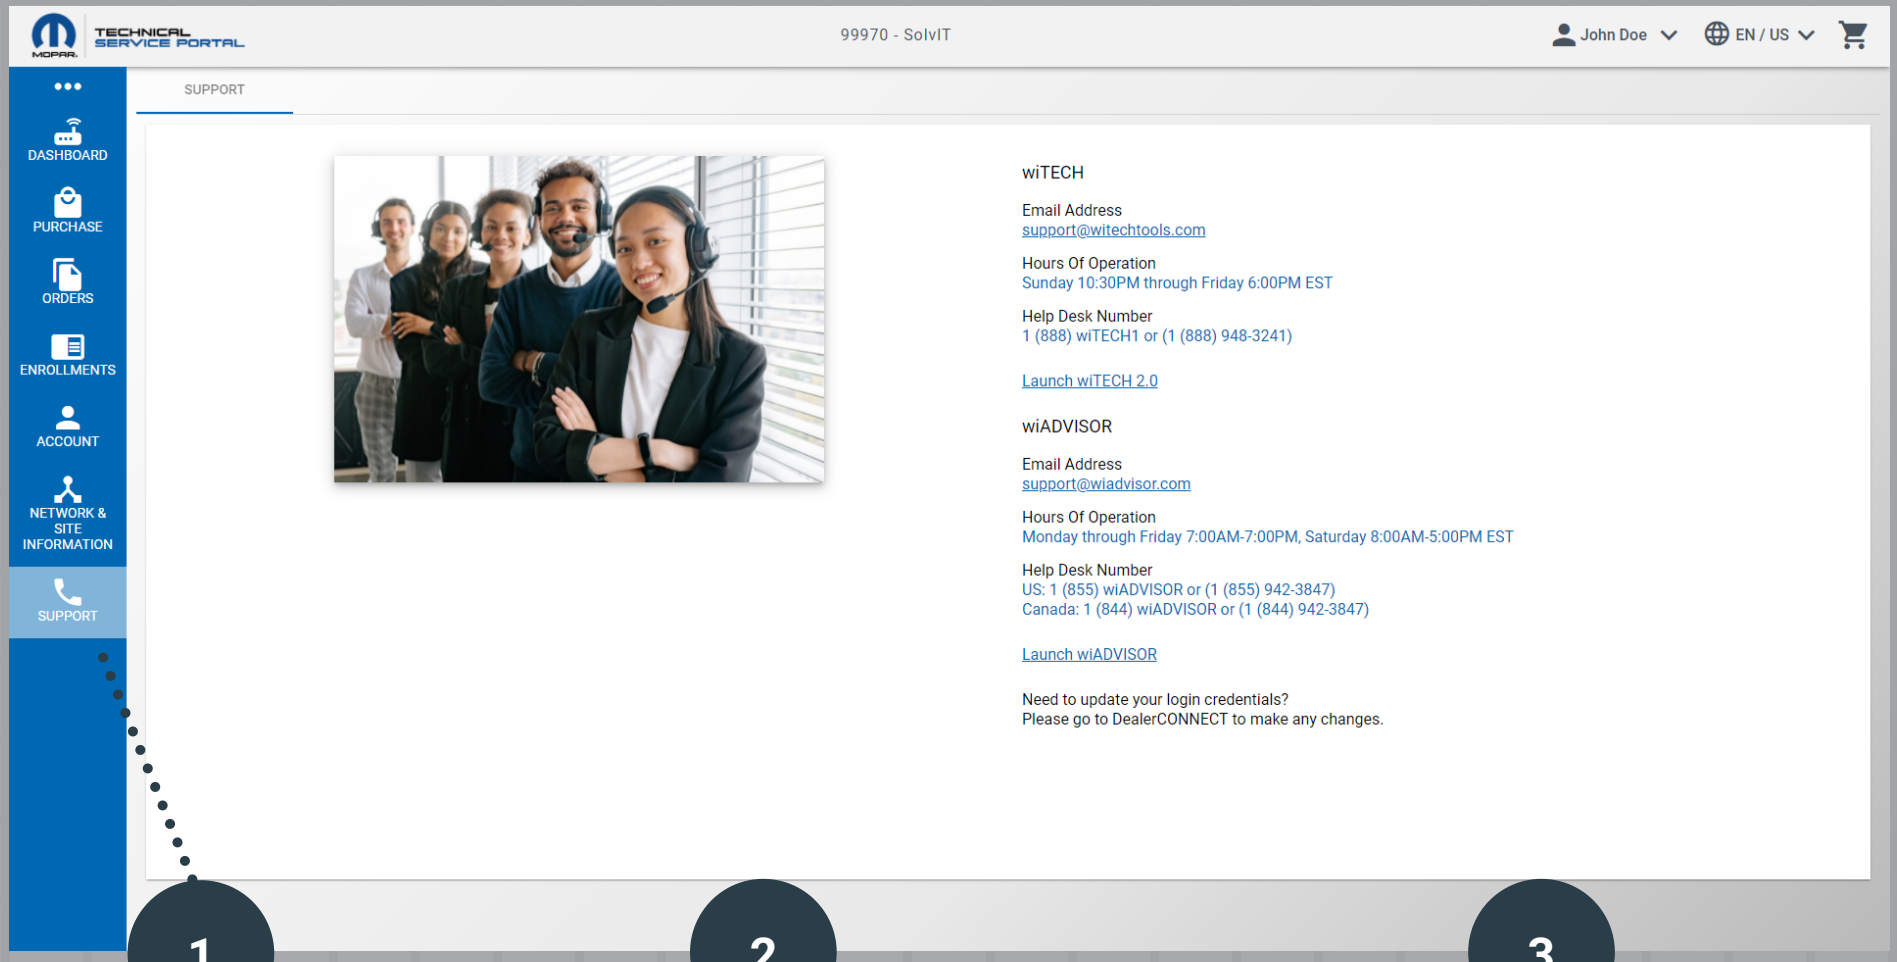

1

Upload photos of your Dealership service area and diagnostic network equipment placement. This will be especially helpful if you need to contact the Support Team for help with your equipment.

SUPPORT

CONTACTING THE SUPPORT TEAM

1. Click on Support in the side navigation bar.
2. Need help? Please contact the Support Team by phone or email.
3. Need to update your login credentials? Please go to DealerCONNECT to make any changes.
